

How I Got My A1C Under Control: A Patient Perspective on Diet and Exercise

Rick Griffis

February 28, 2012

6:00 PM

3018 N. Patterson St

Valdosta, GA 31602

Phone: 229-249-4121

Rick will discuss his journey with diabetes through a unique exercise program, medical management and diet changes. Rick has been able to correct his weight, bring his A1C under control and improve his stamina through consistently changing his diet and exercise routine. **Rick is not a diabetes expert but one of our success stories!**
