## UPDATED VISITOR GUIDELINES

SGMC's top priority is to provide the safest environment possible for our patients, visitors, employees, physicians and volunteers. These guidelines are subject to change at any time.

### VISITATION HOURS BY UNIT

- **Inpatient units are allowed one visitor at a time:** 3W, 4W, 5W, 5S, 4S, 3T, Pediatrics, Smith Northview from 9am-8:30pm
  - **COVID-19 patients and units are allowed visitors ONLY under special considerations:** 2T, 4T, 5T
  - **Outpatients and emergency room patients are allowed one visitor.**
  - **Labor and Delivery and Post Partum patients are allowed two visitors at a time.**
- If you are unsure of your patient's location, please call 229-333-1111 prior to your arrival.
  - Overnight stays are not allowed at this time.

### VISITOR SCREENING

Visitors can expect to receive a temperature screening and be asked the following questions:

Do you have respiratory symptoms such as cough or shortness of breath?

Have you been in contact with someone known or suspected to have COVID-19 within the last 14 days?

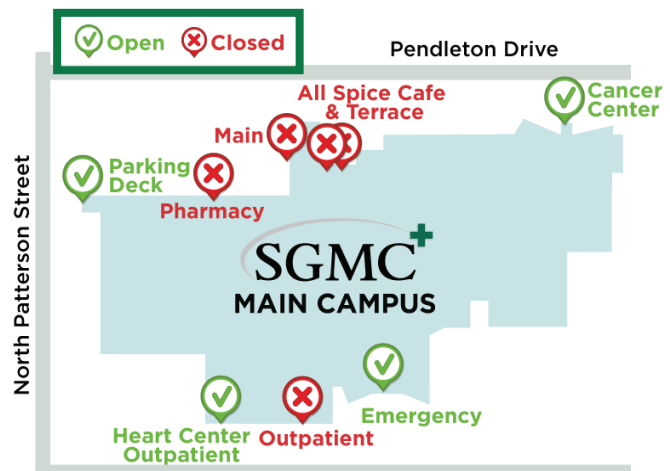

*If you have a temperature of 100.0° or above or answer "yes" to any of the above questions, you will not be allowed to visit.*

#### VISITORS MUST:

- Receive a brief screening upon entry and an authorization badge.
- Wear the surgical mask provided by the screener at all times while inside the hospital.
- Use hand sanitizer upon entering and exiting the hospital and patient rooms.
- Be over the age of 12.
- Practice social distancing while in the facility.
