## COBRA Continuation Coverage General Notice

### Introduction

You are getting this notice because you recently gained coverage under this group health **Plan**. This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the **Plan**. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under this **Plan** and under federal law, you should contact the **plan administrator**.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

### What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of **Plan** coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your **dependent** children could become qualified beneficiaries if coverage under this **Plan** is lost because of the qualifying event. Under this **Plan**, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an **employee**, you'll become a qualified beneficiary if you lose your coverage under this **Plan** because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an **employee**, you'll become a qualified beneficiary if you lose your coverage under this **Plan** because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to **Medicare** benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your **dependent** children will become qualified beneficiaries if they lose coverage under this **Plan** because of the following qualifying events:

- The parent-**employee** dies;
- The parent-**employee**'s hours of employment are reduced;
- The parent-**employee**'s employment ends for any reason other than his or her gross misconduct;
- The parent-**employee** becomes entitled to **Medicare** benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under this **Plan** as a "**dependent child**."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Hospital Authority of Valdosta and Lowndes County, Georgia, and that bankruptcy results in the loss of coverage of any retired employee covered under this *Plan*, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the *Plan*.

#### **When is COBRA continuation coverage available?**

This *Plan* will offer COBRA continuation coverage to qualified beneficiaries only after the *plan administrator* has been notified that a qualifying event has occurred. The *employer* must notify the *plan administrator* of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the *employee*;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The *employee's* becoming entitled to *Medicare* benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the *employee* and spouse or a *dependent* child's losing eligibility for coverage as a *dependent* child), you must notify the *plan administrator* within 60 days after the qualifying event occurs. You must provide this notice to the *plan administrator* (or its designee).

#### **How is COBRA continuation coverage provided?**

Once the *plan administrator* receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered *employees* may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

#### **Disability extension of 18-month period of COBRA continuation coverage**

If you or anyone in your family covered under this *Plan* is determined by Social Security to be disabled and you notify the *plan administrator* in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. The disabled person (or his representative) must submit written proof of the Social Security Administration's disability determination to *the plan administrator* (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:

- (i.) The date of the disability determination by the Social Security Administration;
- (ii.) The date of the 18-Month Qualifying Event;
- (iii.) The date on which the person loses (or would lose) coverage under this *Plan* as a result of the 18-Month Qualifying Event; or
- (iv.) The date on which the person is furnished with a copy of this Plan Document and Summary Plan Description.

#### **Second qualifying event extension of 18-month period of continuation coverage**

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and *dependent* children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if this *Plan* is properly notified about the second qualifying event. This extension may be available to the spouse and any *dependent* children getting COBRA continuation coverage if the *employee* or

former *employee* dies; becomes entitled to *Medicare* benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the *dependent* child stops being eligible under this *Plan* as a *dependent* child. This extension is only available if the second qualifying event would have caused the spouse or *dependent* child to lose coverage under this *Plan* had the first qualifying event not occurred.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP) or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

Can I enroll in *Medicare* instead of COBRA Continuation Coverage after my group health plan coverage ends? In general, if you don't enroll in *Medicare* Part A or B when you are first eligible because you are still employed, after the *Medicare* initial enrollment period, you have an 8-month special enrollment period to sign up for *Medicare* Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in *Medicare* and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in *Medicare* Part A or B before the COBRA continuation coverage ends, this *plan* may terminate your continuation coverage. However, if *Medicare* Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of *Medicare* entitlement, even if you enroll in the other part of *Medicare* after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and *Medicare*, *Medicare* will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to *Medicare*, even if you are not enrolled in *Medicare*.

# PREFERRED PROVIDER OR NONPREFERRED PROVIDER

*Covered persons* have the choice of using either a *preferred provider* or a *nonpreferred provider*.

## **PREFERRED PROVIDER**

A *preferred provider* is a *physician, hospital* or ancillary service provider which has an agreement in effect with the *Preferred Provider Organization* (PPO) to accept a *negotiated rate* for services rendered to *covered persons*. In turn, the PPO has an agreement with the *plan administrator* or *claims processor* to allow access to *negotiated rates* for services rendered to *covered persons*. The PPO's name and/or logo is shown on the front of the *covered person's* ID card. The *preferred provider* cannot bill the *covered person* for any amount in excess of the *negotiated rate* for *covered expenses*. *Covered persons* should contact the *employer's* Human Resources Department, contact the *claims processor*, or review the PPO's website for a current listing of *preferred providers*.

## **NONPREFERRED PROVIDER**

A *nonpreferred provider* does not have an agreement in effect with the *Preferred Provider Organization*. The *Plan* will allow only the *customary and reasonable amount* as a *covered expense*. The *Plan* will pay its percentage of the *customary and reasonable amount* for the *nonpreferred provider covered expenses*. The *covered person* is responsible for the remaining balance. This results in greater out-of-pocket expenses to the *covered person*.

*Covered expenses* for *emergency services* by a *nonpreferred provider* shall be paid at the greatest of the following three amounts: the amount negotiated with *preferred providers* for such *covered expenses*, the amount determined as the *customary and reasonable amount*, or the amount that would be paid under *Medicare* for such *emergency services*.

## **REFERRALS**

Referrals to a *nonpreferred provider* are covered as *nonpreferred provider* services, supplies and treatments. It is the responsibility of the *covered person* to assure services to be rendered are performed by *preferred providers* in order to receive the *preferred provider* level of benefits.

## **EXCEPTIONS**

The following listing of exceptions represents services, supplies or treatments rendered by a *nonpreferred provider* where *covered expenses* shall be payable at the *preferred provider* level of benefits.

1. *Emergency services* rendered at a *nonpreferred provider facility* or at a *preferred provider facility* by a *nonpreferred provider*. If the *covered person* is admitted to the *hospital* on an *emergency* basis, *covered expenses* shall be payable at the *preferred provider* level. The in-network benefit will continue for the duration of the hospitalization.
2. *Nonpreferred* anesthesiologist when the *facility* where such services are rendered is a *preferred provider*.
3. *Nonpreferred* assistant surgeon if the operating surgeon is a *preferred provider*.
4. Radiologist or pathologist services for interpretation of x-rays and diagnostic laboratory and surgical pathology tests rendered by a *nonpreferred provider* when the *facility* where such services are rendered is a *preferred provider*.

5. Diagnostic laboratory and surgical pathology tests referred to a *nonpreferred provider* by a *preferred provider*.
6. While the *covered person* is confined to a *preferred provider hospital*, the *preferred provider physician* requests a consultation from a *nonpreferred provider* or a newborn visit is performed by a *nonpreferred provider*.
7. *Medically necessary* specialty services, supplies or treatments which are not available from a provider within the *Preferred Provider Organization*.
8. When a covered *dependent* resides outside the service area of the *Preferred Provider Organization*.
9. *Covered persons* who do not have access to *preferred providers* within sixty (60) miles of their place of residence, or forty-five (45) miles for maternity care.
10. Treatment rendered at a *facility* of the uniformed services.
11. Transportation by a *nonpreferred provider* ambulance for a condition that meets the definition of *emergency*.
12. Lactation counseling providers.

## ***TRANSITION OF CARE***

In the event that a *covered person* is undergoing treatment from a provider of service that is not in the *preferred provider* network on the date in which the *preferred provider* network was integrated into this *Plan*, then the charges resulting from treatment rendered by that provider will be deemed as having been rendered by a *preferred provider* until the earlier of: the date treatment is concluded (or diagnosis changes); or, the end of ninety (90) days from the date of network integration or change.

If a *covered person* is receiving services for maternity care from a network provider that is not in the *preferred provider* network on the date that the network was integrated into this *Plan*, the charges resulting from services rendered by that provider will be deemed as having been rendered by a *preferred provider* until the date treatment is concluded.

# MEDICAL EXPENSE BENEFIT

This section describes the *covered expenses* of the *Plan*. All *covered expenses* are subject to applicable *Plan* provisions including, but not limited to: deductible, *coinsurance* and *Essential Health Benefits/non-Essential Health Benefits maximum benefit* provisions as shown on the *Schedule of Benefits*, unless otherwise indicated. Any portion of an expense *incurred* by the *covered person* for services, supplies or treatment that is greater than the *customary and reasonable amount* for *nonpreferred providers* or *negotiated rate* for *preferred providers* will not be considered a *covered expense* by the *Plan*. Specified preventive care expenses will be considered to be *covered expenses*.

## DEDUCTIBLES

The individual deductible is the dollar amount of *covered expense* which each *covered person* must have *incurred* during each calendar year before the *Plan* pays applicable benefits. The individual deductible amount is shown on the *Schedule of Benefits*.

## COINSURANCE

The *Plan* pays a specified percentage of *covered expenses* at the *customary and reasonable amount* for *nonpreferred providers*, or the percentage of the *negotiated rate* for *preferred providers*. That percentage is specified on the *Schedule of Benefits*. For *nonpreferred providers*, the *covered person* is responsible for the difference between the percentage the *Plan* paid and one hundred percent (100%) of the billed amount. The *covered person's* portion of the *coinsurance* is applied to the out-of-pocket expense limit.

## OUT-OF-POCKET EXPENSE LIMIT

After the *covered person* has incurred an amount equal to the out-of-pocket expense limit listed on the *Schedule of Benefits* for *covered expenses*, the *Plan* will begin to pay one hundred percent (100%) of *covered expenses* for the remainder of the calendar year.

### *Out-of-Pocket Expense Limit Exclusions*

The following items do not apply toward satisfaction of the calendar year out-of-pocket expense limit and will not be payable at one hundred percent (100%), even if the out-of-pocket expense limit has been satisfied:

1. Expenses for services, supplies and treatments not covered by the *Plan*, including charges in excess of the *customary and reasonable amount* or *negotiated rate*, as applicable.
2. *Nonpreferred provider covered expenses*.
3. Expenses incurred as a result of a failure to obtain pre-certification.

## MAXIMUM BENEFIT

The *maximum benefit* for all non-*Essential Health Benefits* payable on behalf of a *covered person* is shown on the *Schedule of Benefits*. The non-*Essential Health Benefits maximum benefit* applies to the entire time the *covered person* is covered under the *Plan*, either as an *employee, dependent, alternate recipient* or under COBRA. If the *covered person's* coverage under the *Plan* terminates and at a later date he again becomes covered under the *Plan*, the non-*Essential Health Benefits maximum benefit* will include all benefits paid by the *Plan* for the *covered person* during any period of coverage.

The *Schedule of Benefits* may also contain separate *maximum benefit* limitations for specified conditions and/or services. Any separate *maximum benefit* will include all such benefits paid by the *Plan* for the *covered person* during

any and all periods of coverage under the *Plan*. No more than the *Essential Health Benefits/non-Essential Health Benefits maximum benefit* will be paid for any *covered person* while covered by the *Plan*.

Notwithstanding any provision of the *Plan* to the contrary, all benefits received by an individual under any benefit option, package or coverage under the *Plan* shall be applied toward the applicable *maximum benefit* paid by the *Plan* for any one *covered person* for such option, package or coverage under the *Plan*, and also toward the *maximum benefit* under any other options, packages or coverages under the *Plan* in which the individual may participate in the future.

Such tests shall be payable even if they result in additional medical treatment prior to *confinement* or if they show that *hospital confinement* is not *medically necessary*. Such tests shall not be payable if the same tests are performed again after the *covered person* has been admitted.

## ***AMBULANCE SERVICES***

*Covered expenses* shall include:

## ***URGENT CARE CENTER***

**Covered expenses** shall include charges for treatment in an **urgent care center**, payable as specified on the *Schedule of Benefits*.

## ***PHYSICIAN SERVICES AND PROFESSIONAL PROVIDER SERVICES***

When two (2) or more unrelated operations or procedures are performed at the same operative session, **covered expenses** shall include the surgical allowance for each procedure.

3. Surgical assistance provided by a **physician** or **professional provider** if it is determined that the condition of the **covered person** or the type of surgical procedure requires such assistance. **Covered expenses** for the services of an assistant surgeon are limited to twenty percent (20%) of the surgical allowance.

Benefits for a second surgical opinion will be payable according to the *Schedule of Benefits* if an elective surgical procedure (non-emergency surgery) is recommended by the *physician*.

The *physician* rendering the second opinion regarding the *medical necessity* of such surgery must be a board certified specialist in the treatment of the *covered person's illness or injury* and must not be affiliated in any way with the *physician* who will be performing the actual surgery.

In the event of conflicting opinions, a third opinion may be obtained. The *Plan* will consider payment for a third opinion the same as a second surgical opinion.

The second surgical opinion benefit includes *physician* services only. Any diagnostic services will be payable under the standard provisions of the *Plan*.

## ***DIAGNOSTIC SERVICES AND SUPPLIES***

*Covered expenses* shall include services and supplies for diagnostic laboratory tests, electronic tests, pathology, ultrasound, nuclear medicine, magnetic imaging and x-rays.

The following procedures require precertification: CAT scan, EGD, MRI and PET scans.

## ***TRANSPLANT***

Transplant procedures are subject to pre-certification. Failure to obtain pre-certification will result in a denial of benefits for the *hospital confinement* as specified in the *Medical Claim Filing Procedure* section of this document.

The donor's expenses shall be applied to the recipient's *maximum benefit*. In no event will benefits for be payable in excess of the *maximum benefit*.
4. Surgical, storage and transportation costs directly related to procurement of an organ or tissue used in a transplant procedure will be covered for each procedure completed. If an organ or tissue is sold rather than donated, the purchase price of such organ or tissue shall not be considered a *covered expense* under the *Plan*.

If a *covered person's* transplant procedure is not performed as scheduled due to the intended recipient's medical condition or death, benefits will be paid for organ or tissue procurement as described above.

## Centers of Medical Excellence Program

### Types of Providers

The *claims processor* is providing access to the following separate *Centers of Medical Excellence* (CME) networks. The facilities included in each of these CME networks are selected to provide the following specified medical services:

**Transplant Facilities.** Transplant facilities have been organized to provide services for the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Subject to any applicable co-payments or deductibles, CME have agreed to a rate they will accept as payment in full for covered services.

### Definitions

**Centers of Medical Excellence (CME)** are health care providers designated by the *claims processor* as a selected facility for specified medical services. A provider participating in a CME network has an agreement in effect with the *claims processor* at the time services are rendered or is available through their affiliate companies or their relationship with the Blue Cross and Blue Shield Association. CME agree to accept the maximum allowed amount as payment in full for covered services. A participating provider in the Prudent Buyer Plan network is not necessarily a CME.

**Transplant Centers of Medical Excellence maximum allowed amount (CME maximum allowed amount)** is the fee CME agree to accept as payment for covered services. It is usually lower than their normal charge. CME maximum allowed amounts are determined by Centers of Medical Excellence Agreements.

### Travel Expenses

**Covered expenses** include transportation, lodging and meals for the covered recipient and one (1) other person (two (2) other persons if the recipient is an eligible *dependent* child) to accompany the recipient to and from a Centers of Medical Excellence *facility* and for lodging and meals at or near the *facility* where the recipient is confined, provided the recipient resides more than one hundred (100) miles from the Centers of Medical Excellence *facility*.

## **PREGNANCY**

**Covered expenses** shall include services, supplies and treatment related to *pregnancy* or *complications of pregnancy* for a covered female *employee* or a covered female spouse of a covered *employee*.

In the event of early discharge from a *hospital* or *birthing center* following delivery, the *Plan* will cover two (2) Registered Nurse home visits.

The *Plan* shall cover services, supplies and treatments for *medically necessary* abortions when the life of the mother would be endangered by continuation of the *pregnancy*; or when the *pregnancy* is a result of rape or incest for a covered female *employee* or a covered female spouse of a covered *employee*.

Complications from an abortion for a covered female *employee* or a covered female spouse of an *employee* shall be a *covered expense* whether or not the abortion is a *covered expense*.

## **BIRTHING CENTER**

**Covered expenses** shall include services, supplies and treatments rendered at a *birthing center* provided the *physician* in charge is acting within the scope of his license and the *birthing center* meets all legal requirements. Services of a midwife acting within the scope of his license or registration are a *covered expense* provided that the state in which such service is performed has legally recognized midwife delivery.

## ***STERILIZATION***

***Covered expenses*** shall include elective surgical sterilization procedures for the covered male ***employee*** or covered male spouse. ***Covered expenses*** for elective surgical sterilization procedures for women shall be considered under the subsection, *Women's Preventive Services*. Reversal of surgical sterilization is not a ***covered expense***.

## ***INFERTILITY SERVICES***

***Covered expenses*** shall include expenses for infertility testing for ***employees*** and their covered spouse.

***Covered expenses*** for infertility testing are limited to the actual testing for a diagnosis of infertility. Any outside intervention procedures (*e.g.*, artificial insemination) will not be considered a ***covered expense***.

## ***CONTRACEPTIVES***

FDA approved contraceptive methods shall be considered under the subsection, *Women's Preventive Services*. Charges for contraceptives that require a prescription and are dispensed by a pharmacy are covered under the subsection *Medical Expense Benefit, Prescription Drugs*.

## ***WELL NEWBORN CARE***

The ***Plan*** shall cover well newborn care. ***Covered expenses*** for services, supplies or treatment of the newborn child shall be considered charges of the child and as such, subject to a separate deductible and ***coinsurance*** from the mother.

# ELIGIBILITY, ENROLLMENT AND EFFECTIVE DATE

This section identifies the *Plan's* requirements for a person to participate in the *Plan*.

## ***EMPLOYEE ELIGIBILITY***

All *full-time employees* regularly scheduled to work at least thirty (30) hours per work week shall be eligible to enroll for coverage under the *Plan*.

Retired *employees (retirees)* age sixty (60) or older with a total of years of service with Hospital Authority of Valdosta and Lowndes County, Georgia, plus age, equal to eight-seven (87) or greater and who were continuously covered under the *Plan* preceding retirement with Hospital Authority of Valdosta and Lowndes County, Georgia shall be eligible to enroll for coverage under the *Plan*. The *retiree* remains eligible for coverage under the *Plan* until the first of the month in which the *retiree* reaches his or her sixtieth (65<sup>th</sup>) birthday. While the *employer* expects *retiree* coverage to continue, the *employer* reserves the right to modify or discontinue *retiree* coverage or any other provision of the *Plan* at any time.

Any other *employees*, including but not limited to seasonal *employees*, who are not regular *full-time employees* to the extent that such *employees* average 30 hours of service per week over the *employee's* applicable initial *measurement period*. Coverage for such *employees* will be effective on the first day of the qualifying *part-time employee's* new employee *stability period*, provided the *employee* has enrolled for coverage as described in *Employee Enrollment*. A qualifying *part-time employee* will remain eligible throughout the new employee *stability period* to the extent that the *employee* remains employed, subject to the *Plan's* break in service rules. Note: if there is a gap between the end of the qualifying *part-time employee's* new employee *stability period* and the start of the qualifying *part-time employee's* first ongoing *employee stability period* (see below), the qualifying *part-time employee* will remain eligible under the *Plan* until the day preceding the start of the ongoing *employee stability period* to the extent the *employee* remains employed, subject to the *Plan's* break in service rules.

Once an *employee* has completed the *Plan's* standard *measurement period*, eligibility will be based solely on the *employee's* hours of service during the *Plan's* standard *measurement period*. Any *employee* who averages thirty (30) hours of service per week during the *Plan's* standard *measurement period* ("ongoing *employees*") will be eligible for coverage under the *Plan* during the *Plan's* next ongoing *employee stability period* to the extent that the ongoing *employee* remains employed, subject to the *Plan's* break in service rules. Such coverage, if elected, will be effective on the first day of the *Plan's* ongoing *employee stability period*. Whether an *employee* averages thirty (30) hours of service per week will be determined in accordance with policies and procedures adopted by the *plan administrator*.

The *plan administrator* will determine a qualifying *part-time employee's* and an ongoing *employee's* eligibility for coverage under the *Plan* in accordance with the following requirements:

- (a) An *employee's* hours of service during the applicable *measurement period* will be considered in determining eligibility for coverage under the *Plan* to the extent not preceded by a break in service.
- (b) For payroll periods that are one week, two weeks, or semi-monthly in duration, the *employer* is permitted to treat as a *measurement period* a period that ends on the last day of the payroll period preceding the payroll period that includes the date that would otherwise be the last day of the *measurement period*, provided that the *measurement period* begins on the first day of the payroll period that includes the date that would otherwise be the first day of the *measurement period*. The *employer* may also treat as a *measurement period* a period that begins on the first day of the payroll period that follows the payroll period that includes the date that would otherwise be the first day of the *measurement period*, provided that the *measurement period* ends on the last day of the payroll period that includes the date that would otherwise be the last day of the *measurement period*.

- (c) If the *employee* experiences a break in service during a *measurement period* and then again resumes hours of service following a break in service, such *employee* will be treated as a new *employee* upon the date that the *employee* resumes hours of service for the *employer*.
- (d) Impact of special unpaid leaves of absence: If the *employee* takes a special unpaid leave of absence during a *measurement period*, the *employer* will disregard all consecutive weeks of such unpaid leave when determining the average hours of service during the applicable *measurement period*.
- (e) Each *employee's* hours of service will be determined in a manner consistent with Internal Revenue Code Section 4980H and the regulations issued thereunder.

For the purpose of this provision, the following terms are defined:

“Break in Service” means a period of at least thirteen (13) consecutive weeks during which the *employee* has no hours of service, as defined herein. A break in service may also include any period for which the *employee* has no hours of service that is at least four (4) consecutive weeks in duration and longer than the prior period of employment (determined after application of the procedures applicable to special unpaid leaves absence prescribed herein).

“Hours of Service” means each hour for which the *employee* is paid or entitled to payment for performance of services for the *employer* and any hour for which the *employee* is paid or entitled to payment by the *employer* for a period of time during which no duties are performed due to any of the following, consistent with 29 C.F.R. 2530.200b-2(a)(i):

- Vacation
- Holiday
- *Illness* or incapacity
- *Layoff*
- Jury duty
- Military duty or *leave of absence*

“Initial *Measurement Period*” means the 11th calendar month period beginning on the first day of the calendar month coinciding with or next following the *employee's* date of hire. Notwithstanding the foregoing, the *employer* may make adjustments to the standard *measurement period* with respect to *employees* on payroll periods that are weekly, bi-weekly or semi-monthly in duration, as set forth herein.

“Month” means the period that begins on any date following the first day of a calendar month and that ends on the immediately preceding date in the immediately following calendar month (for example, from February 2 to March 1 or from December 15 to January 14).

“New *Employee Stability Period*” means the twelve (12) calendar month period that begins on the first day of the calendar month following the calendar month that begins on or after the *employee's* anniversary date.

“Ongoing *Employee Stability Period*” means the twelve (12) calendar month period that begins on the first day of each *plan year* following the end of the *Plan's* standard *measurement period*.

“Seasonal Employee” means an *employee* hired by the *employer* into a position that is typically no longer in duration than six (6) months and begins at the same time of the year each year.

“Special Unpaid *Leave of Absence*” means any of the following types of unpaid leaves of absence that do not constitute a break in service: (i) Leave protected by the Family and Medical Leave Act, (ii) leave protected by the Uniformed Services Employment and Reemployment Rights Act or (iii) Jury Duty (as reasonably defined by the *employer*).

“Standard *Measurement Period*” means the twelve (12) month period that begins each January 1st. Notwithstanding the foregoing, the *employer* may make adjustments to the standard *measurement period* with respect to *employees* on payroll periods that are weekly, bi-weekly or semi-monthly in duration, as set forth herein.

“Week” means any seven (7) consecutive calendar-day period.

## ***EMPLOYEE ENROLLMENT***

An ***employee*** must file a written application (or electronic, if applicable) with the ***employer*** for coverage hereunder for himself within thirty (30) days becoming eligible for coverage. The ***employee*** shall have the responsibility of timely forwarding to the ***employer*** all applications for enrollment hereunder. If the ***employee*** failed to make timely enrollment, the ***employee*** is considered a late enrollee and not eligible for coverage under the ***Plan*** until the next open enrollment period unless the ***employee*** otherwise qualifies for special enrollment during the ***Plan*** year.

## ***EMPLOYEE(S) EFFECTIVE DATE***

An ***employer*** may require new ***employees*** to complete a one (1) month, less one (1) day, “reasonable and bona fide” orientation period before the eligibility waiting period begins for the ***employer’s*** group health plan.

Eligible ***employees***, as described in *Employee Eligibility*, are covered under the ***Plan*** on the first day of the month following the date of hire provided the ***employee*** has enrolled for coverage as described in *Employee Enrollment*.

## ***DEPENDENT(S) ELIGIBILITY***

The following describes ***dependent*** eligibility requirements. The ***employer*** will require proof of ***dependent*** status.

1. The term "spouse" means the spouse of the ***employee*** under a legally valid existing marriage, as defined by the state in which the ***employee*** lives or was legally married, unless court ordered separation exists. A spouse does not include common law spouses for the purpose of this ***Plan***.
2. The ***employee's*** natural child, stepchild, ***foster child***, legally adopted child, child ***placed for adoption***, and a child for whom the ***employee*** or covered spouse has been appointed legal guardian, through the end of the month in which the child reaches twenty-six (26) years of age.
3. An eligible child shall also include any other child of an ***employee*** or their spouse who is recognized in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN) which has been issued by any court judgment, decree, or order as being entitled to enrollment for coverage under the ***Plan***. Such child shall be referred to as an ***alternate recipient***. ***Alternate recipients*** are eligible for coverage only if the ***employee*** is also covered under the ***Plan***. An application for enrollment must be submitted to the ***employer*** for coverage under the ***Plan***. The ***employer/plan administrator*** shall establish written procedures for determining whether a medical child support order is a QMCSO or NMSN and for administering the provision of benefits under the ***Plan*** pursuant to a valid QMCSO or NMSN. Within a reasonable period after receipt of a medical child support order, the ***employer/plan administrator*** shall determine whether such order is a QMCSO, as defined in Section 609 of ERISA, or a NMSN, as defined in 42 U.S.C.A §666 of the Child Support Performance and Incentive Act of 1998.

The ***employer/plan administrator*** reserves the right, waivable at its discretion, to seek clarification with respect to the order from the court or administrative agency which issued the order, up to and including the right to seek a hearing before the court or agency.

4. A ***dependent*** child who was covered under the ***Plan*** prior to the end of the month in which the child reached twenty-six (26) years of age and who is unmarried, incapable of self-sustaining employment and dependent upon the ***employee*** for support due to a mental and/or physical disability, will remain eligible for coverage under the ***Plan*** beyond the date coverage would otherwise terminate.

Proof of incapacitation must be provided within thirty-one (31) days of the child's loss of eligibility and thereafter as requested by the ***employer*** or ***claims processor***, but not more than once every two (2) years. Eligibility may not be continued beyond the earliest of the following:

- a. Cessation of the mental and/or physical disability;

- b. Failure to furnish any required proof of mental and/or physical disability or to submit to any required examination.

Every eligible *employee* may enroll eligible *dependents*. However, if both the husband and wife are *employees*, each individual may be covered as an *employee*. An *employee* cannot be covered as an *employee* and a *dependent*. Eligible children may be enrolled as *dependents* of one spouse, but not both.

## ***DEPENDENT ENROLLMENT***

An *employee* must file a written application (or electronic, if applicable) with the *employer* for coverage hereunder for his eligible *dependents* within thirty (30) days of becoming eligible for coverage; and within thirty (30) days of marriage or the acquiring of children or birth of a child. The *employee* shall have the responsibility of timely forwarding to the *employer* all applications for enrollment hereunder. If the *employee* failed to make timely enrollment for his eligible *dependents*, the *dependents* are considered late enrollees and not eligible for coverage under the *Plan* until the next open enrollment period, unless the *dependent* otherwise qualifies for a special enrollment during the *Plan* year.

However, if *dependent* coverage is already in force at the time of birth, a newborn child will be automatically added for coverage. Notification of the newborn must be provided to the *employer* as soon as is reasonably possible. If the *employee* does not have *dependent* coverage in effect and the newborn child is not enrolled on a timely basis, there will be no payment from the *Plan* and the parent will be responsible for all costs.

## ***DEPENDENT(S) EFFECTIVE DATE***

Eligible *dependent(s)*, as described in *Dependent(s) Eligibility*, will become covered under the *Plan* on the later of the dates listed below, provided the *employee* has enrolled them in the *Plan* within thirty (30) days of meeting the *Plan's* eligibility requirements and any required contributions are made.

1. The date the *employee's* coverage becomes effective.
2. The date the *dependent* is acquired, provided the *employee* has applied for *dependent* coverage within thirty (30) days of the date acquired.
3. Newborn children shall be covered from birth, provided the *employee* has applied for *dependent* coverage within thirty (30) days of birth.
4. Coverage for a newly adopted or to be adopted child shall be effective on the date the child is *placed for adoption*, provided the *employee* has applied for *dependent* coverage within thirty (30) days of the date the child is *placed for adoption*.

## ***SPECIAL ENROLLMENT PERIOD (OTHER COVERAGE)***

An *employee* or *dependent* who did not enroll for coverage under this *Plan* because he was covered under other group coverage or had health insurance coverage at the time he was initially eligible for coverage under this *Plan*, may request a special enrollment period if he is no longer eligible for the other coverage. Special enrollment periods will be granted if the individual's loss of eligibility is due to:

1. Termination of the other coverage (including exhaustion of COBRA benefits).
2. Cessation of employer contributions toward the other coverage.
3. Legal separation or divorce.
4. Termination of other employment or reduction in number of hours of other employment.

5. Death of *dependent* or spouse.
6. Cessation of other coverage because *employee* or *dependent* no longer resides or works in the service area and no other benefit package is available to the individual.
7. Cessation of *dependent* status under other coverage and *dependent* is otherwise eligible under *employee's Plan*.

Notwithstanding any provision of the *Plan* to the contrary, all benefits received by an individual under any benefit option, package or coverage under the *Plan* shall be applied toward the applicable *maximum benefit* paid by the *Plan* for any one *covered person* for such option, package or coverage under the *Plan*, and also toward the *maximum benefit* under any other options, packages or coverages under the *Plan* in which the individual may participate in the future.

The end of any extended benefits period, which has been provided due to any of the above, will also be considered a loss of eligibility.

However, loss of eligibility does not include a loss due to failure of the individual to pay premiums or contributions on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the other coverage).

The *employee* or *dependent* must request the special enrollment and enroll no later than thirty (30) days from the date of loss of other coverage.

The *effective date* of coverage as the result of a special enrollment shall be the date of loss of other coverage.

### ***SPECIAL ENROLLMENT PERIOD (DEPENDENT ACQUISITION)***

An *employee* who is currently covered or not covered under the *Plan*, but who acquires a new *dependent* may request a special enrollment period for himself, if applicable, his newly acquired *dependent* and his spouse, if not already covered under the *Plan* and otherwise eligible for coverage.

For the purposes of this provision, the acquisition of a new *dependent* includes:

- marriage
- birth of a *dependent* child
- adoption or *placement for adoption* of a *dependent* child
- legal guardianship of a *dependent* child
- a *foster child* being placed with the *employee*

The *employee* must request the special enrollment within thirty (30) days of the acquisition of the *dependent*.

The *effective date* of coverage as the result of a special enrollment shall be:

1. in the case of marriage, the date of such marriage;
2. in the case of a *dependent's* birth, the date of such birth;
3. in the case of adoption or *placement for adoption*, the date of such adoption or *placement for adoption*.
4. in the case of legal guardianship, the date on which such child is placed in the covered *employee's* home pursuant to a court order appointing the covered *employee* as legal guardian for the child;
5. in the case of a *foster child* being placed with the *employee*, on the date on which such child is placed with the *employee* by an authorized placement agency or by judgement, decree or other order of a court of competent jurisdiction.

## ***SPECIAL ENROLLMENT PERIOD (CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) REAUTHORIZATION ACT OF 2009)***

The ***Plan*** intends to comply with the Children's Health Insurance Program Reauthorization Act of 2009.

An ***employee*** who is currently covered or not covered under the ***Plan*** may request a special enrollment period for himself, if applicable, and his ***dependent***. Special enrollment periods will be granted if the individual's loss of eligibility is due to termination of coverage under a state children's health insurance program or Medicaid.

The ***employee*** or ***dependent*** must request the special enrollment and enroll no later than sixty (60) days from the date of loss of other coverage.

## ***OPEN ENROLLMENT***

Open enrollment is the period designated by the ***employer*** during which the ***employee*** may change benefit plans or enroll in the ***Plan*** if he did not do so when first eligible or does not qualify for a special enrollment period. An open enrollment will be permitted once in each calendar year as designated by the ***employer***.

During this open enrollment period, an ***employee*** and his ***dependents*** who are covered under the ***Plan*** or covered under any ***employer*** sponsored health plan may elect coverage or change coverage under the ***Plan*** for himself and his eligible ***dependents***. An ***employee*** must make written application (or electronic, if applicable) as provided by the ***employer*** during the open enrollment period to change benefit plans.

The ***effective date*** of coverage as the result of an open enrollment period will be the following January 1<sup>st</sup>.

The ***employer*** offers a Section 125 Cafeteria Plan that allows ***employees*** to make pre-tax contributions to this ***Plan***. For this reason, covered ***employees*** are generally not permitted to make a change in the ***Plan*** coverage options they elected at the initial enrollment period for a ***plan year***. However, the ***Plan*** may allow additional changes to enrollment due to change in status events under the Employer's Section 125 Cafeteria Plan. Refer to the Employer's Section 125 Cafeteria Plan for more information.

# TERMINATION OF COVERAGE

Except as provided in the *Plan's Continuation of Coverage* (COBRA) provision, coverage will terminate on the earliest of the following dates:

## ***TERMINATION OF EMPLOYEE COVERAGE***

1. The date the *employer* terminates the *Plan* and offers no other group health plan.
2. The last day of the month in which the *employee* ceases to meet the eligibility requirements of the *Plan*.
3. The last day of the month in which employment terminates, as defined by the *employer's* personnel policies.
4. The date the *employee* becomes a full-time, active duty member of the armed forces of any country.
5. The last day of the month in which the *employee* made his or her last required contribution, if he or she failed to make any required contribution toward the cost of coverage when due.
6. The first of the month in which a covered *retiree* reaches his or her sixty-fifth (65<sup>th</sup>) birthday.
7. The earlier of four (4) years after a retired CEO's retirement date or the date a covered retired CEO requests termination of coverage.

## ***TERMINATION OF DEPENDENT(S) COVERAGE***

1. The date the *employer* terminates the *Plan* and offers no other group health plan.
2. The date the *employee's, retiree's* or retired CEO's coverage terminates for any reason including death.
3. The date such person ceases to meet the eligibility requirements of the *Plan*, except that for a *dependent* child, termination shall be the last day of the month in which the *dependent* child reaches age twenty-six (26).
4. The end of the period for which the *employee* made his or her last required contribution on the *dependent's* behalf, if he or she failed to make any required contribution toward the cost of coverage when due.
5. The date the *employee's dependent* spouse becomes a full-time, active duty member of the armed forces of any country.
6. The date the *Plan* discontinues *dependent* coverage for any and all *dependents*.

## ***LEAVE OF ABSENCE***

A person may remain eligible for a limited time if full-time work ceases due to disability or *leave of absence* and the *employee* continues to make required contributions towards coverage. This continuance will end at the end of the month following twelve (12) weeks after the *employee's* last day of full-time work. Continuation of coverage during these periods runs concurrently with any Family and Medical Leave Act leave.

While continued, coverage will be that which was in force on the last day worked as an *employee*. However, if benefits reduce for others in the class, they will also reduce for the continued person.

## ***FAMILY AND MEDICAL LEAVE ACT (FMLA)***

### *Eligible Leave*

An **employee** who is eligible for unpaid leave and benefits under the terms of the Family and Medical Leave Act of 1993 (FMLA), as amended, has the right to continue coverage under the **Plan** for up to twelve (12) weeks, or (twenty-six (26) weeks in certain circumstances). **Employees** should contact the **employer** to determine whether they are eligible under FMLA.

### *Contributions*

During this leave, the **employer** will continue to pay the same portion of the **employee's** contribution for the **Plan**. The **employee** shall be responsible to continue payment for eligible **dependent's** coverage and any remaining **employee** contributions. If the covered **employee** fails to make the required contribution during a FMLA leave within thirty (30) days after the date the contribution was due, the coverage will terminate effective on the date the contribution was due.

### *Reinstatement*

If coverage under the **Plan** was terminated during an approved FMLA leave, and the **employee** returns to active work immediately upon completion of that leave, **Plan** coverage will be reinstated on the date the **employee** returns to active work as if coverage had not terminated, provided the **employee** makes any necessary contributions and enrolls for coverage within thirty (30) days of his return to active work.

### *Repayment Requirement*

The **employer** may require **employees** who fail to return from a leave under FMLA to repay any contributions paid by the **employer** on the **employee's** behalf during an unpaid leave. This repayment will be required only if the **employee's** failure to return from such leave is not related to a "serious health condition," as defined in FMLA, or events beyond the **employee's** control.

## ***EMPLOYEE REINSTATEMENT***

**Employees** and eligible **dependents** who lost coverage due to an approved **leave of absence, layoff**, or termination of employment with the **employer** are eligible for reinstatement of coverage as follows:

1. Reinstatement of coverage is available to **employees** and **dependents** who were previously covered under the **Plan**.
2. Rehire or return to active service must occur within thirteen (13) weeks of the last day worked.
3. The **employee** must submit the completed application for enrollment to the **employer** within thirty (30) days of rehire or return to work.
4. Coverage shall be effective from the date of rehire or return to work. Prior benefits and limitations, such as deductible, **Essential Health Benefits/non-Essential Health Benefits maximum benefit** shall be applied with no break in coverage.

If the provisions of (1) through (3) above are not met, the **Plan's** provisions for eligibility and application for enrollment shall apply.

An **employee** who returns to work more than thirteen (13) weeks following an approved **leave of absence, layoff**, or termination of employment will be considered a new **employee** for purposes of eligibility and will be subject to all eligibility requirements, including all requirements relating to the **effective date** of coverage.

# CONTINUATION OF COVERAGE

In order to comply with federal regulations, the **Plan** includes a continuation of coverage option for certain individuals whose coverage would otherwise terminate. The following is intended to comply with the Public Health Services Act. This continuation of coverage may be commonly referred to as "COBRA coverage" or "continuation coverage."

The coverage which may be continued under this provision consists of health coverage. It does not include life insurance benefits, accidental death and dismemberment benefits, or income replacement benefits. Health coverage includes medical and prescription drug benefits as provided under the **Plan**.

## ***QUALIFYING EVENTS***

Qualifying events are any one of the following events that would cause a **covered person** to lose coverage under the **Plan** or cause an increase in required contributions, even if such loss of coverage or increase in required contributions does not take effect immediately, and allow such person to continue coverage beyond the date described in *Termination of Coverage*:

1. Death of the **employee**.
2. The **employee's** termination of employment (other than termination for gross misconduct), or reduction in work hours to less than the minimum required for coverage under the **Plan**. This event is referred to below as an "18-Month Qualifying Event."
3. Divorce or legal separation from the **employee**.
4. The **employee's** entitlement to **Medicare** benefits under Title XVIII of the Social Security Act, if it results in the loss of coverage under this **Plan**.
5. A **dependent** child no longer meets the eligibility requirements of the **Plan**.
6. A covered **retiree** and their covered **dependents** whose benefits were substantially eliminated within one (1) year of the **employer** filing for Chapter 11 bankruptcy.

## ***NOTIFICATION REQUIREMENTS***

1. When eligibility for continuation of coverage results from a spouse being divorced or legally separated from a covered **employee**, or a child's loss of **dependent** status, the **employee** or **dependent** must submit a completed Qualifying Event Notification form to the **plan administrator** (or its designee) within sixty (60) days of the latest of:
  - a. The date of the event;
  - b. The date on which coverage under the **Plan** is or would be lost as a result of that event; or
  - c. The date on which the **employee** or **dependent** is furnished with a copy of this Plan Document.

A copy of the Qualifying Event Notification form is available from the **plan administrator** (or its designee). In addition, the **employee** or **dependent** may be required to promptly provide any supporting documentation as may be reasonably requested for purposes of verification. Failure to provide such notice and any requested supporting documentation will result in the person forfeiting their rights to continuation of coverage under this provision.

Within fourteen (14) days of the receipt of a properly completed Qualifying Event Notification, the **plan administrator** (or its designee) will notify the **employee** or **dependent** of his rights to continuation of coverage, and what process is required to elect continuation of coverage. This notice is referred to below as "Election Notice."

2. When eligibility for continuation of coverage results from any qualifying event under the *Plan* other than the ones described in Paragraph 1 above, the *plan administrator* (or its designee) will furnish an Election Notice to the *employee* or *dependent* not later than forty-four (44) days after the date on which the *employee* or *dependent* loses coverage under the *Plan* due to the qualifying event.
3. In the event it is determined that an individual seeking continuation of coverage (or extension of continuation coverage) is not entitled to such coverage, the *plan administrator* (or its designee) will provide to such individual an explanation as to why the individual is not entitled to continuation coverage. This notice is referred to here as the "Non-Eligibility Notice." The Non-Eligibility Notice will be furnished in accordance with the same time frame as applicable to the furnishing of the Election Notice.
4. In the event an Election Notice is furnished, the eligible *employee* or *dependent* has sixty (60) days to decide whether to elect continued coverage. Each person who is described in the Election Notice and was covered under the *Plan* on the day before the qualifying event has the right to elect continuation of coverage on an individual basis, regardless of family enrollment. If the *employee* or *dependent* chooses to have continuation coverage, he must advise the *plan administrator* (or its designee) of this choice by returning to the *plan administrator* (or its designee) a properly completed Election Notice not later than the last day of the sixty (60) day period. If the Election Notice is mailed to the *plan administrator* (or its designee), it must be postmarked on or before the last day of the sixty (60) day period. This sixty (60) day period begins on the later of the following:
  - a. The date coverage under the *Plan* would otherwise end; or
  - b. The date the person receives the Election Notice from the *plan administrator* (or its designee).
5. Within forty-five (45) days after the date the person notifies the *plan administrator* (or its designee) that he has chosen to continue coverage, the person must make the initial payment. The initial payment will be the amount needed to provide coverage from the date continued benefits begin, through the last day of the month in which the initial payment is made. Thereafter, payments for the continuation coverage are to be made monthly, and are due in advance, on the first day each month.

## ***COST OF COVERAGE***

1. The *Plan* requires that *covered persons* pay the entire costs of their continuation coverage, plus a two percent (2%) administrative fee. Except for the initial payment (see above), payments must be remitted to the *plan administrator* (or its designee) by or before the first day of each month during the continuation period. The payment must be remitted on a timely basis in order to maintain the coverage in force.
2. For a person originally covered as an *employee* or as a spouse, the cost of coverage is the amount applicable to an *employee* if coverage is continued for himself alone. For a person originally covered as a child and continuing coverage independent of the family unit, the cost of coverage is the amount applicable to an *employee*.

## ***WHEN CONTINUATION COVERAGE BEGINS***

When continuation coverage is elected and the initial payment is made within the time period required, coverage is reinstated back to the date of the loss of coverage, so that no break in coverage occurs. Coverage for *dependents* acquired and properly enrolled during the continuation period begins in accordance with the enrollment provisions of the *Plan*.

## ***FAMILY MEMBERS ACQUIRED DURING CONTINUATION***

A spouse or *dependent* child newly acquired during continuation coverage is eligible to be enrolled as a *dependent*. The standard enrollment provision of the *Plan* applies to enrollees during continuation coverage. A *dependent* acquired and enrolled after the original qualifying event, other than a child born to or *placed for adoption* with a covered *employee* during a period of COBRA continuation coverage, is not eligible for a separate continuation if a subsequent event results in the person's loss of coverage.

## ***EXTENSION OF CONTINUATION COVERAGE***

1. In the event any of the following events occur during the period of continuation coverage resulting from an 18-Month Qualifying Event, it is possible for a ***dependent's*** continuation coverage to be extended:
  - a. Death of the ***employee***.
  - b. Divorce or legal separation from the ***employee***.
  - c. The child's loss of ***dependent*** status.

Written notice of such event must be provided by submitting a completed Additional Extension Event Notification form to the ***plan administrator*** (or its designee) within sixty (60) days of the latest of:

- (i.) The date of that event;
- (ii.) The date on which coverage under the ***Plan*** would be lost as a result of that event if the first qualifying event had not occurred; or
- (iii.) The date on which the ***employee*** or ***dependent*** is furnished with a copy of the Plan Document.

A copy of the Additional Extension Event Notification form is available from the ***plan administrator*** (or its designee). In addition, the ***dependent*** may be required to promptly provide any supporting documentation as may be reasonably required for purposes of verification. Failure to properly provide the Additional Extension Event Notification and any requested supporting documentation will result in the person forfeiting their rights to extend continuation coverage under this provision. In no event will any extension of continuation coverage extend beyond thirty-six (36) months from the later of the date of the first qualifying event or the date as of which continuation coverage began.

Only a person covered prior to the original qualifying event or a child born to or ***placed for adoption*** with a covered ***employee*** during a period of COBRA coverage may be eligible to continue coverage through an extension of continuation coverage as described above. Any other ***dependent*** acquired during continuation coverage is not eligible to extend continuation coverage as described above.

2. A person who loses coverage on account of an 18-Month Qualifying Event may extend the maximum period of continuation coverage from eighteen (18) months to up to twenty-nine (29) months in the event both of the following occur:
  - a. That person (or another person who is entitled to continuation coverage on account of the same 18-Month Qualifying Event) is determined by the Social Security Administration, under Title II or Title XVI of the Social Security Act, to have been disabled before the sixtieth (60<sup>th</sup>) day of continuation coverage; and
  - b. The disability status, as determined by the Social Security Administration, lasts at least until the end of the initial eighteen (18) month period of continuation coverage.

The disabled person (or his representative) must submit written proof of the Social Security Administration's disability determination to the ***plan administrator*** (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:

- (i.) The date of the disability determination by the Social Security Administration;
- (ii.) The date of the 18-Month Qualifying Event;
- (iii.) The date on which the person loses (or would lose) coverage under the ***Plan*** as a result of the 18-Month Qualifying Event; or
- (iv.) The date on which the person is furnished with a copy of the Plan Document.

Should the disabled person fail to notify the ***plan administrator*** (or its designee) in writing within the time frame described above, the disabled person (and others entitled to disability extension on account of that person) will then be entitled to whatever period of continuation he or they would otherwise be entitled to, if any. The ***Plan*** may require that the individual pay one hundred and fifty percent (150%) of the cost of

continuation coverage during the additional eleven (11) months of continuation coverage. In the event the Social Security Administration makes a final determination that the individual is no longer disabled, the individual must provide notice of that final determination no later than thirty (30) days after the later of:

- (A.) The date of the final determination by the Social Security Administration; or
- (B.) The date on which the individual is furnished with a copy of the Plan Document.

## ***END OF CONTINUATION***

Continuation of coverage under this provision will end on the earliest of the following dates:

1. Eighteen (18) months (or twenty-nine (29) months if continuation coverage is extended due to certain disability status as described above) from the date continuation began because of an 18-Month Qualifying Event or the last day of leave under the Family and Medical Leave Act of 1993.
2. Twenty-four (24) months from the date continuation began because of the call-up to military duty.
3. Thirty-six (36) months from the date continuation began for ***dependents*** whose coverage ended because of the death of the ***employee***, divorce or legal separation from the ***employee***, or the child's loss of ***dependent*** status.
4. The end of the period for which contributions are paid if the ***covered person*** fails to make a payment by the date specified by the ***plan administrator*** (or its designee). In the event continuation coverage is terminated for this reason, the individual will receive a notice describing the reason for the termination of coverage, the effective date of termination, and any rights the individual may have under the ***Plan*** or under applicable law to elect an alternative group or individual coverage, such as a conversion right. This notice is referred to below as an "Early Termination Notice."
5. The date coverage under the ***Plan*** ends and the ***employer*** offers no other group health benefit plan. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
6. The date the ***covered person*** first becomes entitled, after the date of the ***covered person's*** original election of continuation coverage, to ***Medicare*** benefits under Title XVIII of the Social Security Act. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
7. The date the ***covered person*** first becomes covered under any other employer's group health plan after the original date of the ***covered person's*** election of continuation coverage.
8. For the spouse or ***dependent*** child of a covered ***employee*** who becomes entitled to ***Medicare*** prior to the spouse's or ***dependent's*** election for continuation coverage, thirty-six (36) months from the date the covered ***employee*** becomes entitled to ***Medicare***.
9. ***Retirees***, and widows or widowers of ***retirees*** who died before substantial elimination of coverage within one (1) year of the ***employer's*** bankruptcy, are entitled to lifetime continuation coverage. However, if a ***retiree*** dies after substantial elimination of coverage within one (1) year of the ***employer's*** bankruptcy, the surviving spouse and ***dependent*** children may only elect an additional thirty-six (36) months of continuation coverage after the death.

## ***SPECIAL RULES REGARDING NOTICES***

1. Any notice required in connection with continuation coverage under the ***Plan*** must, at minimum, contain sufficient information so that the ***plan administrator*** (or its designee) is able to determine from such notice the ***employee*** and ***dependent(s)*** (if any), the qualifying event or disability, and the date on which the qualifying event occurred.

2. In connection with continuation coverage under the *Plan*, any notice required to be provided by any individual who is either the *employee* or a *dependent* with respect to the qualifying event may be provided by a representative acting on behalf of the *employee* or the *dependent*, and the provision of the notice by one individual shall satisfy any responsibility to provide notice on behalf of all related eligible individuals with respect to the qualifying event.
3. As to an Election Notice, Non-Eligibility Notice or Early Termination Notice:
  - a. A single notice addressed to both the *employee* and the spouse will be sufficient as to both individuals if, on the basis of the most recent information available to the *Plan*, the spouse resides at the same location as the *employee*; and
  - b. A single notice addressed to the *employee* or the spouse will be sufficient as to each *dependent* child of the *employee* if, on the basis of the most recent information available to the *Plan*, the *dependent* child resides at the same location as the individual to whom such notice is provided.

## ***MILITARY MOBILIZATION***

If an *employee* is called for active duty by the United States Armed Services (including the Coast Guard, the National Guard or the Public Health Service), the *employee* and the *employee's dependent* may continue their health coverages, pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA).

When the leave is less than thirty-one (31) days, the *employee* and the *employee's dependent* may not be required to pay more than the *employee's* share, if any, applicable to that coverage. If the leave is thirty-one (31) days or longer, then the *plan administrator* (or its designee) may require the *employee* and the *employee's dependent* to pay no more than one hundred and two percent (102%) of the full contribution.

The maximum length of the continuation coverage required under the Uniformed Services Employment and Reemployment Rights Act (USERRA) is the lesser of:

1. Twenty-four (24) months beginning on the day that the leave commences, or
2. A period beginning on the day that the leave began and ending on the day after the *employee* fails to return to employment within the time allowed.

The period of continuation coverage under USERRA will be counted toward any continuation coverage period concurrently available under COBRA. Upon return from active duty, the *employee* and the *employee's dependent* will be reinstated without a waiting period, regardless of their election of COBRA continuation coverage.

## ***PLAN CONTACT INFORMATION***

Questions concerning the *Plan*, including any available continuation coverage, can be directed to the *plan administrator* (or its designee).

## ***ADDRESS CHANGES***

In order to help ensure the appropriate protection of rights and benefits under the *Plan*, *covered persons* should keep the *plan administrator* (or its designee) informed of any changes to their current addresses.

The ***covered person*** may ask the health care provider to submit the claim directly to the ***Preferred Provider Organization*** as outlined above, or the ***covered person*** may submit the bill with a claim form. However, it is ultimately the ***covered person’s*** responsibility to make sure the claim for benefits has been filed.

## ***NOTICE OF AUTHORIZED REPRESENTATIVE***

The ***covered person*** may provide the ***plan administrator*** (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a ***covered person*** and consent to the release of information related to the ***covered person*** to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department.

## ***NOTICE OF CLAIM***

A claim for benefits should be submitted to the ***claims processor*** within ninety (90) calendar days after the occurrence or commencement of any services by the ***Plan***, or as soon thereafter as reasonably possible.

Failure to file a claim within the time provided shall not invalidate or reduce a claim for benefits if: (1) it was not reasonably possible to file a claim within that time; and (2) that such claim was furnished as soon as possible, but no later than three hundred sixty-five (365) days after the loss occurs or commences, unless the claimant is legally incapacitated.

Notice given by or on behalf of a ***covered person*** or his beneficiary, if any, to the ***plan administrator*** or to any authorized agent of the ***Plan***, with information sufficient to identify the ***covered person***, shall be deemed notice of claim.

## ***TIME FRAME FOR BENEFIT DETERMINATION***

After a completed claim has been submitted to the ***claims processor***, and no additional information is required, the ***claims processor*** will generally complete its determination of the claim within thirty (30) calendar days of receipt of the completed claim unless an extension is necessary due to circumstances beyond the ***Plan's*** control.

After a completed claim has been submitted to the ***claims processor***, and if additional information is needed for determination of the claim, the ***claims processor*** will provide the ***covered person*** (or authorized representative) with a notice detailing information needed. The notice will be provided within thirty (30) calendar days of receipt of the completed claim and will state the date as of which the ***Plan*** expects to make a decision. The ***covered person*** will have forty-five (45) calendar days to provide the information requested, and the ***Plan*** will complete its determination of the claim within fifteen (15) calendar days of receipt by the ***claims processor*** of the requested information. Failure to respond in a timely and complete manner will result an ***adverse benefit determination***.

## ***NOTICE OF ADVERSE BENEFIT DETERMINATION***

If the claim for benefits is denied, the ***plan administrator*** (or its designee) shall provide the ***covered person*** (or authorized representative) with a written Notice of Benefit Adverse Benefit Determination within the time frames described immediately above.

The Notice of Adverse Benefit Determination shall include an explanation of the denial, including:

1. Information sufficient to identify the claim involved.
2. The specific reasons for the ***adverse benefit determination***, to include:
  - a. The denial code and its specific meaning, and
  - b. A description of the ***Plan's*** standards, if any, used when denying the claim.

6. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Adverse Benefit Determination will contain either:

- a. A copy of that criterion, or
  - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
7. If the **adverse benefit determination** was based on **medical necessity, experimental/investigational** treatment or similar exclusion or limit, the **plan administrator** (or its designee) will supply either:
- a. An explanation of the scientific or clinical judgment, applying the terms of the **Plan** to the **covered person's** medical circumstances, or
  - b. A statement that such explanation will be supplied free of charge, upon request.

## ***APPEALING AN ADVERSE BENEFIT DETERMINATION ON A POST-SERVICE CLAIM***

A **covered person**, or the **covered person's** authorized representative, may request a review of a denied claim by making written request to the **claims processor** within one hundred eighty (180) calendar days from receipt of notification of the **adverse benefit determination** and stating the reasons the **covered person** feels the claim should not have been denied.

Providers of medical service are not **covered persons** unless specifically appointed in writing as the **covered person's** authorized representative. However, the **Plan** will reply to requests for reconsideration from medical providers that are made in a timely manner (see *Provider Reconsideration Requests* below).

The following describes the review process and rights of the **covered person**, for a full and fair review:

1. The **covered person** has the right to submit documents, information and comments and to present evidence and testimony.
2. The **covered person** has the right to access, free of charge, **relevant information** to the claim for benefits.
3. Before a final **adverse benefit determination** on appeal is rendered, the **covered person** will be provided, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the **Plan** in connection with the claim. Such information will be provided as soon as possible and sufficiently in advance of the notice of final internal **adverse benefit determination**. However there could be circumstances where the new or additional evidence or rationale could be received so late that it would be impossible to provide the **covered person** in time to have a reasonable opportunity to respond. In these circumstances, the period for providing notice of final determination on appeal will be tolled until the earliest of the following dates:
  - a. The date the **covered person** responds to the new or additional rationale or evidence; or
  - b. Three (3) weeks from the date the new or additional rationale or evidence was mailed to the **covered person**.
4. The review takes into account all information submitted by the **covered person**, even if it was not considered in the initial benefit determination.
5. The review by the **claims processor** will not afford deference to the original **adverse benefit determination**.
6. The **claims processor** will not be:
  - a. The individual who originally denied the claim, nor
  - b. Subordinate to the individual who originally denied the claim.
7. If the original **adverse benefit determination** was, in whole or in part, based on medical judgment:
  - a. The **claims processor** will consult with a **professional provider** who has appropriate training and experience in the field involving the medical judgment; and
  - b. The **professional provider** utilized by the **claims processor** will be neither:
    - (i.) An individual who was consulted in connection with the original **adverse benefit determination**, nor
    - (ii.) A subordinate of any other **professional provider** who was consulted in connection with the original **adverse benefit determination**.
8. If requested, the **claims processor** will identify the medical or vocational expert(s) who gave advice in connection with the original **adverse benefit determination**, whether or not the advice was relied upon.

## ***PROVIDER RECONSIDERATION REQUESTS***

When a provider of medical service receives a copy of the adverse benefit determination, the provider may request a reconsideration of the decision. The request must be in writing and must be sent to the ***claims processor*** (attention Appeals Unit) within 180 days after the date of the determination. The request must include the claim number, the reason for the request (i.e., an explanation of why the provider thinks the claim was processed incorrectly), and supporting documentation that was not included with the initial claim submission. Provider reconsideration requests sent later than 180 days after the date of the determination will not be considered. A provider does not have the same rights as a ***covered person***.

## ***NOTICE OF BENEFIT DETERMINATION ON APPEAL***

The ***plan administrator*** (or its designee) shall provide the ***covered person*** (or authorized representative) with a written notice of the appeal decision within sixty (60) calendar days of receipt of a written request for the appeal.

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the Decision, including:

1. The specific reasons for the ***adverse benefit determination***.
2. Reference to specific ***Plan*** provisions on which the ***adverse benefit determination*** is based.
3. A statement that the ***covered person*** has the right to access, free of charge, ***relevant information*** to the claim for benefits.
4. A statement of the ***covered person's*** right to request an external review and a description of the process for requesting such a review.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
  - a. A copy of that criterion, or
  - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If the ***adverse benefit determination*** was based on ***medical necessity, experimental/investigational*** treatment or similar exclusion or limit, the ***plan administrator*** (or its designee) will supply either:
  - a. An explanation of the scientific or clinical judgment, applying the terms of the ***Plan*** to the claimant's medical circumstances, or
  - b. A statement that such explanation will be supplied free of charge, upon request.

## ***FOREIGN CLAIMS***

In the event a ***covered person*** incurs a ***covered expense*** in a foreign country, the ***covered person*** shall be responsible for providing the following information to the ***claims processor*** before payment of any benefits due are payable:

1. The claim form, provider invoice and any documentation required to process the claim must be submitted in the English language.
2. The charges for services must be converted into U.S. dollars.
3. A current published conversion chart, validating the conversion from the foreign country's currency into U.S. dollars, must be submitted with the claim.

## **PRE-SERVICE CLAIM PROCEDURE**

### ***HEALTH CARE MANAGEMENT***

***Health care management*** is the process of evaluating whether proposed services, supplies or treatments are ***medically necessary*** and appropriate to help ensure quality, cost-effective care.

Certification of ***medical necessity*** and appropriateness by the ***Health Care Management Organization*** does not establish eligibility under the ***Plan*** nor guarantee benefits.

## ***FILING A PRE-CERTIFICATION CLAIM***

This pre-certification provision will be waived by the ***Health Care Management Organization*** if the ***covered expense*** is rendered/provided outside of the continental United States of America or any U.S. Commonwealth, Territory or Possession.

All ***inpatient*** admissions, including ***extended care facility confinements*** and admissions for ***mental and nervous disorders*** and ***substance use disorder, partial confinements, home health care*** (excluding supplies and ***durable medical equipment***), ***inpatient hospice*** care, and diagnostic and surgical procedures as outlined below are to be certified by the ***Health Care Management Organization***. For non-urgent care, the ***covered person*** (or their authorized representative) must call the ***Health Care Management Organization*** prior to initiation of services. If the ***Health Care Management Organization*** is not called prior to initiation of services for non-urgent care, benefits may be reduced. For ***urgent care***, the ***covered person*** (or their authorized representative) must call the ***Health Care Management Organization*** within forty-eight (48) hours or the next business day, whichever is later, after the initiation of services. Please note that if the ***covered person*** needs medical care that would be considered as ***urgent care***, then there is no requirement that the ***Plan*** be contacted for prior approval.

***Covered persons shall contact the Health Care Management Organization by calling:***

**1-800-480-6658**

When a ***covered person*** (or authorized representative) calls the ***Health Care Management Organization***, he or she should be prepared to provide all of the following information:

1. ***Employee's*** name, address, phone number and Trustmark Health Benefits, Inc. Member Identification Number.
2. ***Employer's*** name.
3. If not the ***employee***, the patient's name, address, phone number.
4. Admitting ***physician's*** name and phone number.
5. Name of ***facility, home health care agency or hospice***.
6. Date of admission or proposed date of admission.
7. Condition for which patient is being admitted.
8. Notification of the following diagnostic and surgical procedures:
  - a. Blepharoplasty
  - b. CAT scan
  - c. Chemotherapy
  - d. Dialysis
  - e. ***Durable medical equipment*** with a purchase or rental cost of \$500 or more
  - f. EGD
  - g. Heart Catheterizations
  - h. Home IV infusion
  - i. Hysterectomy
  - j. MRI
  - k. Organ or Tissue Transplant (refer to ***Medical Expense Benefit, Transplant*** for additional information)
  - l. PET Scans
  - m. Radiation therapy
  - n. Rhinoplasty
  - o. Septoplasty

*Group health plans generally may not, under federal law, restrict benefits for any ***hospital*** length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a normal vaginal delivery, or less than ninety-six (96) hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than forty-eight (48) hours (or ninety-six (96) hours as applicable). In any case, plans may not, under federal law, require that a provider obtain authorization from the ***Plan*** for prescribing a length of stay not in excess of the above periods.*

However, **hospital** maternity stays in excess of forty-eight (48) or ninety-six (96) hours as specified above must be pre-certified.

If the **covered person** (or authorized representative) fails to contact the **Health Care Management Organization** prior to the services and procedures listed above and within the timelines detailed above, benefits shall be denied. If the **Health Care Management Organization** declines to grant the full pre-certification requested, benefits for days not certified as **medically necessary** by the **Health Care Management Organization** shall be denied. (Refer to *Post-Service Claim Procedure* discussion above.)

## ***NOTICE OF AUTHORIZED REPRESENTATIVE***

The **covered person** may provide the **plan administrator** (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a **covered person** and consent to release of information related to the **covered person** to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department. Notwithstanding the foregoing, requests for pre-certification and other pre-service claims or requests by a person or entity other than the **covered person** may be processed without a written authorization if the request or claim appears to the **plan administrator** (or its designee) to come from a reasonably appropriate and reliable source (e.g., **physician's** office, individuals identifying themselves as immediate relatives, etc.).

## ***TIME FRAME FOR PRE-SERVICE CLAIM DETERMINATION***

1. In the event the **Plan** receives from the **covered person** (or authorized representative) a communication that fails to follow the pre-certification procedure as described above but communicates at least the name of the **covered person**, a specific medical condition or symptom, and a specific treatment, service or product for which prior approval is requested, the **covered person** (or the authorized representative) will be orally notified (and in writing if requested), within five (5) calendar days of the failure of the proper procedure to be followed.
2. After a completed pre-certification request for non-urgent care has been submitted to the **Plan**, and if no additional information is required, the **Plan** will generally complete its determination of the claim within a reasonable period of time, but no later than fifteen (15) calendar days from receipt of the request.
3. After a pre-certification request for non-urgent care has been submitted to the **Plan**, and if an extension of time to make a decision is necessary due to circumstances beyond the control of the **Plan**, the **Plan** will, within fifteen (15) calendar days from receipt of the request, provide the **covered person** (or authorized representative) with a notice detailing the circumstances and the date by which the **Plan** expects to render a decision. If the circumstances include a failure to submit necessary information, the notice will specifically describe the needed information. The **covered person** will have forty-five (45) calendar days to provide the information requested, and the **Plan** will complete its determination of the claim no later than fifteen (15) calendar days after receipt by the **Plan** of the requested information. Failure to respond in a timely and complete manner will result in an **adverse benefit determination**.

## ***CONCURRENT CARE CLAIMS***

If an extension beyond the original certification is required, the **covered person** (or authorized representative) shall call the **Health Care Management Organization** for continuation of certification.

If a **covered person** (or authorized representative) requests to extend a previously approved hospitalization or an ongoing course of treatment, and;

1. The request involves non-**urgent care**, then the extension request must be processed within fifteen (15) calendar days after the request was received.
2. The **inpatient** admission or ongoing course of treatment involves **urgent care**, and

- a. The request is received at least twenty-four (24) hours before the scheduled end of a hospitalization or course of treatment, then the request must be ruled upon and the **covered person** (or authorized representative) notified as soon as possible taking into consideration medical exigencies but no later than twenty-four (24) hours after the request was received; or
- b. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment, then the request must be ruled upon and the **covered person** (or authorized representative) notified as soon as possible but no later than seventy-two (72) hours after the request was received; or
- c. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment and additional information is required, the **covered person** (or authorized representative) will be notified within twenty-four (24) hours of the additional information required. The **covered person** (or authorized representative) has forty-eight (48) hours to provide such information (may be oral unless written is requested). Upon timely response, the **covered person** (or authorized representative) will be notified as soon as possible but no later than forty-eight (48) hours after receipt of additional information. Failure to submit requested information timely will result in an **adverse benefit determination** of such request.

If the **Health Care Management Organization** determines that the **hospital** stay or course of treatment should be decreased or terminated before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved, then the **Health Care Management Organization** shall:

1. Notify the **covered person** of the proposed change, and
2. Allow the **covered person** to file an appeal and obtain a decision, before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved.

If, at the end of a previously approved hospitalization or course of treatment, the **Health Care Management Organization** determines that continued **confinement** is no longer **medically necessary**, additional days will not be certified. (Refer to *Appealing a Denied Pre-Service Claim* discussion below.)

## **NOTICE OF ADVERSE BENEFIT DETERMINATION ON A PRE-SERVICE CLAIM**

If a pre-certification request is denied in whole or in part, the **plan administrator** (or its designee) shall provide the **covered person** (or authorized representative) with a written Notice of an Adverse Benefit Determination on a Pre-Service Claim within the time frames above.

The Notice of an Adverse Benefit Determination on a Pre-Service Claim shall include an explanation of the denial, including:

1. Information sufficient to identify the claim involved.
2. The specific reasons for the denial, to include:
  - a. The denial code and its specific meaning, and
  - b. A description of the **Plan's** standards, if any, used when denying the claim.
3. Reference to the **Plan** provisions on which the **adverse benefit determination** is based.
4. A description of any additional material or information needed and an explanation of why such material or information is necessary.
5. A description of the **Plan's** claim appeal procedure and applicable time limits.
6. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Adverse Benefit Determination on a Pre-Service Claim will contain either:
  - a. A copy of that criterion, or
  - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
7. If the **adverse benefit determination** was based on **medical necessity**, **experimental/investigational** treatment or similar exclusion or limit, the **plan administrator** (or its designee) will supply either:

- a. An explanation of the scientific or clinical judgment, applying the terms of the *Plan* to the *covered person's* medical circumstances, or
- b. A statement that such explanation will be supplied free of charge, upon request.

## ***APPEALING AN ADVERSE BENEFIT DETERMINATION OF A DENIED PRE-SERVICE CLAIM***

A *covered person* (or authorized representative) may request a review of an Adverse Benefit Determination of a Pre-Service claim by making a verbal or written request to the *claims processor* within one hundred eighty (180) calendar days from receipt of notification of the *adverse benefit determination* and stating the reasons the *covered person* feels the claim should not have been denied. If the *covered person* (or authorized representative) wishes to appeal the *adverse benefit determination* when the services in question have already been rendered, such an appeal will be considered as a separate post-service claim. (Refer to *Post-Service Claim Procedure* discussion above.)

The following describes the review process and rights of the *covered person* for a full and fair review:

1. The *covered person* has the right to submit documents, information and comments and to present testimony.
2. The *covered person* has the right to access, free of charge, *relevant information* to the claim for benefits.
3. Before a final determination on appeal is rendered, the *covered person* will be provided, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the *Plan* in connection with the claim. Such information will be provided as soon as possible and sufficiently in advance of the notice of final internal determination to give the *covered person* an opportunity to respond. The period for providing notice of final determination on appeal will be tolled until the earliest of the following dates:
  - a. The date the *covered person* responds to the new or additional rationale or evidence; or
  - b. Three (3) weeks from the date the new or additional rationale or evidence was mailed to the *covered person*.
4. The review takes into account all information submitted by the *covered person*, even if it was not considered in the initial benefit determination.
5. The review by the *claims processor* will not afford deference to the original *adverse benefit determination*.
6. The *claims processor* will not be:
  - a. The individual who originally denied the claim, nor
  - b. Subordinate to the individual who originally denied the claim.
7. If the original *adverse benefit determination* was, in whole or in part, based on medical judgment:
  - a. The *claims processor* will consult with a *professional provider* who has appropriate training and experience in the field involving the medical judgment.
  - b. The *professional provider* utilized by the *claims processor* will be neither:
    - (i.) An individual who was consulted in connection with the original *adverse benefit determination*, nor
    - (ii.) A subordinate of any other *professional provider* who was consulted in connection with the original *adverse benefit determination*.
8. If requested, the *claims processor* will identify the medical or vocational expert(s) who gave advice in connection with the original *adverse benefit determination*, whether or not the advice was relied upon.

## ***NOTICE OF PRE-SERVICE DETERMINATION ON APPEAL***

The *plan administrator* (or its designee) shall provide the *covered person* (or authorized representative) with a written Notice of Appeal Decision as soon as possible, but not later than thirty (30) calendar days from receipt of the appeal (not applicable to *urgent care* claims).

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the decision, including:

1. The specific reasons for the *adverse benefit determination*.
2. Reference to specific *Plan* provisions on which the *adverse benefit determination* is based.
3. A statement that the *covered person* has the right to access, free of charge, *relevant information* to the claim for benefits.

4. A statement of the *covered person's* right to request an external review and a description of the process for requesting such a review.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
  - a. A copy of that criterion, or
  - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If the *adverse benefit determination* was based on *medical necessity, experimental/investigational* treatment or similar exclusion or limit, the *plan administrator* (or its designee) will supply either:
  - a. An explanation of the scientific or clinical judgment, applying the terms of the *Plan* to the claimant's medical circumstances, or
  - b. A statement that such explanation will be supplied free of charge, upon request.

## **CASE MANAGEMENT**

In cases where the *covered person's* condition is expected to be or is of a serious nature, the *Health Care Management Organization* may arrange for review and/or case management services from a professional qualified to perform such services. The *plan administrator* shall have the right to alter or waive the normal provisions of the *Plan* when it is reasonable to expect a cost-effective result without a sacrifice to the quality of care.

In addition, the *Health Care Management Organization* may recommend (or change) alternative:

- methods of medical care or treatment;
- equipment; or
- supplies;

that differ from the medical care or treatment, equipment or supplies that are considered *covered expenses* under the *Plan*.

The recommended alternatives will be considered as *covered expenses* under the *Plan* provided the expenses can be shown to be viable, *medically necessary*, and are included in a written case management report or treatment plan proposed by the *Health Care Management Organization*.

Case management will be determined on the merits of each individual case, and any care or treatment provided will not be considered as setting any precedent or creating any future liability with respect to that *covered person* or any other *covered person*.

## **POST-SERVICE AND PRE-SERVICE CLAIM EXTERNAL APPEALS PROCEDURE**

### **EXTERNAL APPEAL**

A *covered person*, or the *covered person's* authorized representative, may request a review of an *adverse benefit determination* appeal if the claim determination involves medical judgment or a rescission by making written request to the *claims processor* within four (4) months of receipt of notification of the final internal *adverse benefit determination*. Medical judgment includes, but is not limited to:

1. *Medical necessity*;
2. Appropriateness;
3. *Experimental* or *investigational* treatment;
4. Health care setting;
5. Level of care; and
6. Effectiveness of a *covered expense*.

If there is no corresponding date four (4) months after the date of receipt of such a notice, then the request must be made by the first day of the fifth month following the receipt of the notice of final internal **adverse benefit determination**. {Note: If the date of receipt of the notice is October 30, because there is no February 30, the request must be filed by March 1, or the next day if March 1<sup>st</sup> falls on a Saturday, Sunday or Federal holiday.}

## ***RIGHT TO EXTERNAL APPEAL***

Within five (5) business days of receipt of the request, the **claims processor** will perform a preliminary review of the request to determine if the request is eligible for external review, based on confirmation that the final internal **adverse benefit determination** was the result of:

1. Medical judgment; or
2. Rescission of coverage under this **Plan**.

## ***NOTICE OF RIGHT TO EXTERNAL APPEAL***

The **plan administrator** (or its designee) shall provide the **covered person** (or authorized representative) with a written notice of the decision as to whether the claim is eligible for external review within one (1) business day after completion of the preliminary review.

The Notice of Right to External Appeal shall include the following:

1. The reason for ineligibility and the availability of the Employee Benefits Security Administration at 1-866-444-3272, if the request is complete but not eligible for external review.
2. If the request is incomplete, the information or materials necessary to make the request complete and the opportunity for the **covered person** to perfect the external review request by the later of the following:
  - a. The four (4) month filing period; or
  - b. Within the forty-eight (48) hour time period following the **covered person's** receipt of notification.

## ***INDEPENDENT REVIEW ORGANIZATION***

For external reviews by an Independent Review Organization (IRO), such IRO shall be accredited by URAC or a similar nationally recognized accrediting organization and shall be assigned to conduct the external review. The assigned IRO will timely notify the **covered person** in writing of the request's eligibility and acceptance for external review.

## ***NOTICE OF EXTERNAL REVIEW DETERMINATION***

The assigned IRO shall provide the **plan administrator** (or its designee) and the **covered person** (or authorized representative) with a written notice of the final external review decision within forty-five (45) days after receipt of the external review request.

The Notice of Final External Review Decision from the IRO is binding on the **covered person**, the **Plan** and **claims processor**, except to the extent that other remedies may be available under State or Federal law.

## ***EXPEDITED EXTERNAL REVIEW***

The **plan administrator** (or its designee) shall provide the **covered person** (or authorized representative) the right to request an expedited external review upon the **covered person's** receipt of either of the following:

1. An **adverse benefit determination** involving a medical condition for which the timeframe noted above for completion of an internal appeal would seriously jeopardize the health or life of the **covered person** or the **covered person's** ability to regain maximum function and the **covered person** has filed an internal appeal request.

2. A final internal **adverse benefit determination** of benefits involving a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize the health or life of the **covered person** or the **covered person's** ability to regain maximum function or if the final internal **adverse benefit determination** involves any of the following:
  - a. An admission,
  - b. Availability of care,
  - c. Continued stay, or
  - d. A health care item or service for which the **covered person** received **emergency services**, but has not yet been discharged from a **facility**.

Immediately upon receipt of the request for *Expedited External Review*, the **Plan** will do all of the following:

1. Perform a preliminary review to determine whether the request meets the requirements in the subsection, *Right to External Appeal*.
2. Send notice of the **Plan's** decision, as described in the subsection, *Notice of Right to External Appeal*.

Upon determination that a request is eligible for external review, the **Plan** will do all of the following:

1. Assign an IRO as described in the subsection, *Independent Review Organization*.
2. Provide all necessary documents or information used to make the **adverse benefit determination** or final **adverse benefit determination** to the IRO either by telephone, facsimile, electronically or other expeditious method.

The assigned IRO will provide notice of final external review decision as expeditiously as the **covered person's** medical condition or circumstances require, but in no event more than seventy-two (72) hours after receipt of the expedited external review request. The notice shall follow the requirements in the subsection, *Notice of External Review Determination*. If the notice of the expedited external review determination was not in writing, the assigned IRO shall provide the **plan administrator** (or its designee) and the **covered person** (or authorized representative) written confirmation of its decision within forty-eight (48) hours after the date of providing that notice.

# COORDINATION OF BENEFITS

The *Coordination of Benefits* provision is intended to prevent duplication of benefits. It applies when the **covered person** is also covered by any Other Plan(s). When more than one coverage exists, one plan normally pays its benefits in full, referred to as the primary plan. The Other Plan(s), referred to as secondary plan, pays a reduced benefit. When coordination of benefits occurs, the total benefit payable by all plans will not exceed one hundred percent (100%) of "allowable expenses." Only the amount paid by this **Plan** will be charged against the **Essential Health Benefits/non-Essential Health Benefits maximum benefit**.

The *Coordination of Benefits* provision applies whether or not a claim is filed under the Other Plan(s). If another plan provides benefits in the form of services rather than cash, the reasonable value of the service rendered shall be deemed the benefit paid.

## **DEFINITIONS APPLICABLE TO THIS PROVISION**

"Allowable Expenses" means any reasonable, necessary, and customary expenses **incurred** while covered under this **Plan**, part or all of which would be covered under this **Plan**. Allowable Expenses do not include expenses contained in the "Exclusions" sections of this **Plan**.

When this **Plan** is secondary, "Allowable Expense" will include any deductible or **coinsurance** amounts not paid by the Other Plan(s).

This **Plan** is not eligible to be elected as primary coverage in lieu of automobile benefits. Payments from automobile insurance will always be primary and this **Plan** shall be secondary only.

When this **Plan** is secondary, "Allowable Expense" shall not include any amount that is not payable under the primary plan as a result of a contract between the primary plan and a provider of service in which such provider agrees to accept a reduced payment and not to bill the **covered person** for the difference between the provider's contracted amount and the provider's regular billed charge.

"Other Plan" means any plan, policy or coverage providing benefits or services for, or by reason of medical, dental or vision care. Such Other Plan(s) do not include flexible spending accounts (FSA), health reimbursement accounts (HRA), health savings accounts (HSA), or individual medical, dental or vision insurance policies. "Other Plan" also does not include Tricare, **Medicare**, Medicaid or a state child health insurance program (CHIP). Such Other Plan(s) may include, without limitation:

1. Group insurance or any other arrangement for coverage for **covered persons** in a group, whether on an insured or uninsured basis, including, but not limited to, **hospital** indemnity benefits and **hospital** reimbursement-type plans;
2. **Hospital** or medical service organization on a group basis, group practice, and other group prepayment plans or on an individual basis having a provision similar in effect to this provision;
3. A licensed Health Maintenance Organization (HMO);
4. Any coverage for students which is sponsored by, or provided through, a school or other educational institution;
5. Any coverage under a government program and any coverage required or provided by any statute;
6. Group automobile insurance;
7. Individual automobile insurance coverage;

8. Individual automobile insurance coverage based upon the principles of "No-fault" coverage;
9. Any plan or policies funded in whole or in part by an employer, or deductions made by an employer from a person's compensation or retirement benefits;
10. Labor/management trustee, union welfare, employer organization, or employee benefit organization plans.

"This **Plan**" shall mean that portion of the **employer's Plan** which provides benefits that are subject to this provision.

"Claim Determination Period" means a calendar year or that portion of a calendar year during which the **covered person** for whom a claim is made has been covered under this **Plan**.

## ***EFFECT ON BENEFITS***

This provision shall apply in determining the benefits for a **covered person** for each claim determination period for the Allowable Expenses. If this **Plan** is secondary, the benefits paid under this **Plan** may be reduced so that the sum of benefits paid by all plans does not exceed 100% of total Allowable Expenses.

If the rules set forth below would require this **Plan** to determine its benefits before such Other Plan, then the benefits of such Other Plan will be ignored for the purposes of determining the benefits under this **Plan**.

## ***ORDER OF BENEFIT DETERMINATION***

Except as provided below in *Coordination with Medicare*, each plan will make its claim payment according to the first applicable provision in the following list of provisions which determine the order of benefit payment:

1. No Coordination of Benefits Provision  
If the Other Plan contains no provisions for coordination of benefits, then its benefits shall be paid before all Other Plan(s).
2. Member/Dependent  
The plan which covers the claimant directly pays before a plan that covers the claimant as a dependent.
3. Dependent Children of Parents not Separated or Divorced  
The plan covering the parent whose birthday (month and day) occurs earlier in the year pays first. The plan covering the parent whose birthday falls later in the year pays second. If both parents have the same birthday, the plan that covered a parent longer pays first. A parent's year of birth is not relevant in applying this rule.
4. Dependent Children of Separated or Divorced Parents  
When parents are separated or divorced, the birthday rule does not apply, instead:
  - a. If a court decree has given one parent financial responsibility for the child's health care, the plan of that parent pays first. The plan of the stepparent married to that parent, if any, pays second. The plan of the other natural parent pays third. The plan of the spouse of the other natural parent, if any, pays fourth.
  - b. In the absence of such a court decree, the plan of the parent with custody pays first. The plan of the stepparent married to the parent with custody, if any, pays second. The plan of the parent without custody pays third. The plan of the spouse of the parent without custody, if any, pays fourth.
5. Active/Inactive  
The plan covering a person as an active (not laid off or retired) employee or as that person's dependent pays first. The plan covering that person as a laid off or retired employee, or as that person's dependent pays second.

6. Longer/Shorter Length of Coverage

If none of the above rules determine the order of benefits, the plan covering a person longer pays first. The plan covering that person for a shorter time pays second.

## ***COORDINATION WITH MEDICARE***

Individuals may be eligible for **Medicare** Part A at no cost if they: (i) are age 65 or older, (ii) have been determined by the Social Security Administration to be disabled, or (iii) have end stage renal disease. Participation in **Medicare** Part B and D is available to all individuals who make application and pay the full cost of the coverage.

1. When an **employee** becomes entitled to **Medicare** coverage (due to age or disability) and is still actively at work, the **employee** may continue health coverage under this **Plan** at the same level of benefits and contribution rate that applied before reaching **Medicare** entitlement.
2. When a **dependent** becomes entitled to **Medicare** coverage (due to age or disability) and the **employee** is still actively at work, the **dependent** may continue health coverage under this **Plan** at the same level of benefits and contribution rate that applied before reaching **Medicare** entitlement.
3. If the **employee** and/or **dependent** are also enrolled in **Medicare** (due to age or disability), this **Plan** shall pay as the primary plan. If, however, the **Medicare** enrollment is due to end stage renal disease, the **Plan's** primary payment obligation will end at the end of the thirty (30) month "coordination period" as provided in **Medicare** law and regulations. If the **employee** and/or **dependent** does not elect **Medicare**, but is otherwise eligible due to end stage renal disease, benefits will be paid as if **Medicare** has been elected and this **Plan** will pay secondary benefits upon completion of the thirty (30) month "coordination period."
4. Notwithstanding Paragraphs 1 to 3 above, if the **employer** (including certain affiliated entities that are considered the same employer for this purpose) has fewer than one hundred (100) **employees**, when a covered **dependent** becomes entitled to **Medicare** coverage due to **total disability**, as determined by the Social Security Administration, and the **employee** is actively-at-work, **Medicare** will pay as the primary payer for claims of the **dependent** and this **Plan** will pay secondary.
5. If the **employee** and/or **dependent** elect to discontinue health coverage under this **Plan** and enroll under the **Medicare** program, no benefits will be paid under this **Plan**. **Medicare** will be the only payor.
6. For a **retiree** eligible for **Medicare** due to age, **Medicare** shall be the primary payor and this **Plan** shall be secondary.

This section is subject to the terms of the **Medicare** laws and regulations. Any changes in these related laws and regulations will apply to the provisions of this section.

## ***LIMITATIONS ON PAYMENTS***

In no event shall the **covered person** recover under this **Plan** and all Other Plan(s) combined more than the total Allowable Expenses offered by this **Plan** and the Other Plan(s). Nothing contained in this section shall entitle the **covered person** to benefits in excess of the total **Essential Health Benefits/non-Essential Health Benefits maximum benefit** of this **Plan** during the claim determination period. The **covered person** shall refund to the **employer** any excess it may have paid.

## ***RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION***

For the purposes of determining the applicability of and implementing the terms of this *Coordination of Benefits* provision, the **Plan** may, without the consent of or notice to any person, release to or obtain from any insurance company or any other organization any information, regarding other insurance, with respect to any **covered person**. Any person claiming benefits under this **Plan** shall furnish to the **employer** such information as may be necessary to implement the *Coordination of Benefits* provision.

## ***FACILITY OF BENEFIT PAYMENT***

Whenever payments which should have been made under this **Plan** in accordance with this provision have been made under any Other Plan, the **employer** shall have the right, exercisable alone and in its sole discretion, to pay over to any organization making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision. Amounts so paid shall be deemed to be benefits paid under this **Plan** and, to the extent of such payments, the **employer** shall be fully discharged from liability.

## ***AUTOMOBILE ACCIDENT BENEFITS***

The **Plan's** liability for expenses arising out of an automobile accident shall always be secondary to any automobile insurance, irrespective of the type of automobile insurance law that is in effect in the **covered person's** state of residence. Currently, there are three (3) types of state automobile insurance laws.

1. No-fault automobile insurance laws
2. Financial responsibility laws
3. Other automobile liability insurance laws

No Fault Automobile Insurance Laws. In no event will the **Plan** pay any claim presented by or on behalf of a **covered person** for medical benefits that would have been payable under an automobile insurance policy but for an election made by the principal named insured under the automobile policy that reduced covered levels and/or subsequent premium. This is intended to exclude, as a **covered expense**, a **covered person's** medical expenses arising from an automobile accident that are payable under an automobile insurance policy or that would have been payable under an automobile insurance policy but for such an election.

1. In the event a **covered person** incurs medical expenses as a result of **injuries** sustained in an automobile accident while "covered by an automobile insurance policy," as an operator of the vehicle, as a passenger, or as a pedestrian, benefits will be further limited to medical expenses, that would in no event be payable under the automobile insurance.
2. For the purposes of this section the following people are deemed "covered by an automobile insurance policy."
  - a. An owner or principal named insured individual under such policy.
  - b. A family member of an insured person for whom coverage is provided under the terms and conditions of the automobile insurance policy.
  - c. Any other person who, except for the existence of the **Plan**, would be eligible for medical expense benefits under an automobile insurance policy.

Financial Responsibility Laws. The **Plan** will be secondary to any potentially applicable automobile insurance even if the state's "financial responsibility law" does not allow the **Plan** to be secondary.

Other Automobile Liability Insurance. If the state does not have a no-fault automobile insurance law or a "financial responsibility" law, the **Plan** is secondary to automobile insurance coverage or to any other person or entity who caused the **accident** or who may be liable for the **covered person's** medical expenses pursuant to the general rule for *Subrogation/Reimbursement*.

# SUBROGATION/REIMBURSEMENT

The *Plan* is designed to only pay *covered expenses* for which payment is not available from anyone else, including any insurance company or another health plan. In order to help a *covered person* in a time of need, however, the *Plan* may pay *covered expenses* that may be or become the responsibility of another person, provided that the *Plan* later receives reimbursement for those payments (hereinafter called “Reimbursable Payments”).

Therefore, by enrolling in the *Plan*, as well as by applying for payment of *covered expenses*, a *covered person* is subject to, and agrees to, the following terms and conditions with respect to the amount of *covered expenses* paid by the *Plan*:

1. Assignment of Rights (Subrogation). The *covered person* automatically assigns to the *Plan* any rights the *covered person* may have to recover all or part of the same *covered expenses* from any party, including an insurer or another group health program (except flexible spending accounts, health reimbursement accounts and health savings accounts), but limited to the amount of Reimbursable Payments made by the *Plan*. This assignment includes, without limitation, the assignment of a right to any funds paid by a third party to a *covered person* or paid to another for the benefit of the *covered person*. This assignment applies on a first-dollar basis (*i.e.*, has priority over other rights), applies whether the funds paid to (or for the benefit of) the *covered person* constitute a full or a partial recovery, and even applies to funds actually or allegedly paid for non-medical or dental charges, attorney fees, or other costs and expenses. This assignment also allows the *Plan* to pursue any claim that the *covered person* may have, whether or not the *covered person* chooses to pursue that claim. By this assignment, the *Plan*'s right to recover from insurers includes, without limitation, such recovery rights against no-fault auto insurance carriers in a situation where no third party may be liable, and from any uninsured or underinsured motorist coverage.
2. Equitable Lien and other Equitable Remedies. The *Plan* shall have an equitable lien against any rights the *covered person* may have to recover the same *covered expenses* from any party, including an insurer or another group health program, but limited to the amount of Reimbursable Payments made by the *Plan*. The equitable lien also attaches to any right to payment from workers' compensation, whether by judgment or settlement, where the *Plan* has paid *covered expenses* prior to a determination that the *covered expenses* arose out of and in the course of employment. Payment by workers' compensation insurers or the employer will be deemed to mean that such a determination has been made.

This equitable lien shall also attach to any money or property that is obtained by anybody (including, but not limited to, the *covered person*, the *covered person*'s attorney, and/or a trust) as a result of an exercise of the *covered person*'s rights of recovery (sometimes referred to as “proceeds”). The *Plan* shall also be entitled to seek any other equitable remedy against any party possessing or controlling such proceeds. At the discretion of the *plan administrator*, the *Plan* may reduce any future *covered expenses* otherwise available to the *covered person* under the *Plan* by an amount up to the total amount of Reimbursable Payments made by the *Plan* that is subject to the equitable lien.

This and any other provisions of the *Plan* concerning equitable liens and other equitable remedies are intended to meet the standards for enforcement under ERISA that were enunciated in the United States Supreme Court's decision entitled, Great-West Life & Annuity Insurance Co. v. Knudson, 534 US 204 (2002). The provisions of the *Plan* concerning subrogation, equitable liens and other equitable remedies are also intended to supercede the applicability of the federal common law doctrines commonly referred to as the “make whole” rule and the “common fund” rule.

3. Assisting in *Plan*'s Reimbursement Activities. The *covered person* has an obligation to assist the *Plan* to obtain reimbursement of the Reimbursable Payments that it has made on behalf of the *covered person*, and to provide the *Plan* with any information concerning the *covered person*'s other insurance coverage (whether through automobile insurance, other group health program, or otherwise) and any other person or entity (including their insurer(s)) that may be obligated to provide payments or benefits to or for the benefit of the *covered person*. The *covered person* is required to (a) cooperate fully in the *Plan*'s (or any *Plan* fiduciary's)

enforcement of the terms of the *Plan*, including the exercise of the *Plan's* right to subrogation and reimbursement, whether against the *covered person* or any third party, (b) not do anything to prejudice those enforcement efforts or rights (such as settling a claim against another party without including the *Plan* as a co-payee for the amount of the Reimbursable Payments and notifying the *Plan*), (c) sign any document deemed by the *plan administrator* to be relevant to protecting the *Plan's* subrogation, reimbursement or other rights, and (d) provide relevant information when requested. The term "information" includes any documents, insurance policies, police reports, or any reasonable request by the *plan administrator* or *claims processor* to enforce the *Plan's* rights.

The *plan administrator* has delegated to the *claims processor* for medical claims the right to perform ministerial functions required to assert the *Plan's* rights with regard to such claims and benefits; however, the *plan administrator* shall retain discretionary authority with regard to asserting the *Plan's* recovery rights.

# GENERAL PROVISIONS

## ***ADMINISTRATION OF THE PLAN***

The ***Plan*** is administered through the Human Resources Department of the ***employer***. The ***employer*** is the ***plan administrator***. The ***plan administrator*** shall have full charge of the operation and management of the ***Plan***. The ***employer*** has retained the services of an independent ***claims processor*** experienced in claims review.

The ***employer*** is the sponsor of the ***Plan***. The ***employer*** maintains authority to review all denied claims under appeal for benefits under the ***Plan***. The ***employer*** maintains authority to interpret the terms of the ***Plan***, including but not limited to, determination of eligibility for and entitlement to ***Plan*** benefits in accordance with the terms of the ***Plan***; any interpretation or determination made pursuant to such authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

## ***APPLICABLE LAW***

Except to the extent preempted by federal law, all provisions of the ***Plan*** shall be construed and administered in a manner consistent with the requirements under the laws of the State of Georgia.

## ***ASSIGNMENT***

Coverage and the ***covered person's*** rights under this ***Plan*** may not be assigned. A direction to pay a provider is not an assignment of any right under this ***Plan*** or of any legal or equitable right to institute any court proceeding.

### *Payment of Benefits*

Benefits will be processed as soon as the necessary proof to support the claim is received. Written proof must be provided for all benefits. All covered health benefits are payable to the ***covered person***. However, the ***Plan*** has the right to pay any health benefits to the service provider. This will be done unless the ***covered person*** has told the ***claims processor*** otherwise by the time the ***covered person*** files the claim and a reasonable amount of time for the ***claims processor*** to process the ***covered person's*** request.

***Preferred providers*** normally bill the ***Plan*** directly. If services, supplies or treatments have been received from such a provider, benefits are automatically paid to that provider. The ***covered person's*** portion of the ***negotiated rate***, after the ***Plan's*** payment, will then be billed to the ***covered person*** by the ***preferred provider***.

The ***Plan*** will pay benefits to the responsible party of an ***alternate recipient*** as designated in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN).

### *Additional Provisions*

The ***Plan's***, ***Plan Sponsor's***, ***claim processor's*** failure to implement or insist upon compliance with any provision of this ***Plan*** at any given time or times, shall not constitute a waiver of the right to implement or insist upon compliance with that provision at any other time or times.

## ***BENEFITS NOT TRANSFERABLE***

Except as otherwise stated herein, no person other than an eligible ***covered person*** is entitled to receive benefits under the ***Plan***. Such right to benefits is not transferable.

## ***CLERICAL ERROR***

No clerical error on the part of the **employer** or **claims processor** shall operate to defeat any of the rights, privileges, services, or benefits of any **employee** or any **dependent(s)** hereunder, nor create or continue coverage which would not otherwise validly become effective or continue in force hereunder. An equitable adjustment of contributions and/or benefits will be made when the error or delay is discovered. However, if more than six (6) months has elapsed prior to discovery of any error, any adjustment of contributions shall be waived. No party shall be liable for the failure of any other party to perform.

## ***CONFORMITY WITH STATUTE(S)***

Any provision of the **Plan** which is in conflict with statutes which are applicable to the **Plan** is hereby amended to conform to the minimum requirements of said statute(s).

## ***EFFECTIVE DATE OF THE PLAN***

The original **effective date** of this Plan was January 1, 2018. The **effective date** of the modifications contained herein is January 1, 2021.

## ***FRAUD OR INTENTIONAL MISREPRESENTATION***

If the **covered person** or anyone acting on behalf of a **covered person** makes a false statement on the application for enrollment, or withholds information with intent to deceive or affect the acceptance of the enrollment application or the risks assumed by the **Plan**, or otherwise misleads the **Plan**, the **Plan** shall be entitled to recover its damages, including legal fees, from the **covered person**, or from any other person responsible for misleading the **Plan**, and from the person for whom the benefits were provided. Any fraud or intentional misrepresentation of a material fact on the part of the **covered person** or an individual seeking coverage on behalf of the individual in making application for coverage, or any application for reclassification thereof, or for service thereunder is prohibited and shall render the coverage under the **Plan** null and void.

## ***FREE CHOICE OF HOSPITAL AND PHYSICIAN***

Nothing contained in the **Plan** shall in any way or manner restrict or interfere with the right of any person entitled to benefits hereunder to select a **hospital** or to make a free choice of the attending **physician** or **professional provider**. However, benefits will be paid in accordance with the provisions of the **Plan**, and the **covered person** will have higher out-of-pocket expenses if the **covered person** uses the services of a **nonpreferred provider**.

## ***INCAPACITY***

If, in the opinion of the **employer**, a **covered person** for whom a claim has been made is incapable of furnishing a valid receipt of payment due him and in the absence of written evidence to the **Plan** of the qualification of a guardian or personal representative for his estate, the **employer** may on behalf of the **Plan**, at his discretion, make any and all such payments to the provider of services or other person providing for the care and support of such person. Any payment so made will constitute a complete discharge of the **Plan's** obligation to the extent of such payment.

## ***INCONTESTABILITY***

All statements made by the **employer** or by the **employee** covered under the **Plan** shall be deemed representations and not warranties. Such statements shall not void or reduce the benefits under the **Plan** or be used in defense to a claim unless they are contained in writing and signed by the **employer** or by the **covered person**, as the case may be. A statement made shall not be used in any legal contest unless a copy of the instrument containing the statement is or has been furnished to the other party to such a contest.

## ***LEGAL ACTIONS***

The decision by the ***plan administrator/claims processor*** on review will be final, binding, and conclusive, and will be afforded the maximum deference permitted by law. All claim review procedures provided for in this plan document must be exhausted before any legal or equitable action is brought. Notwithstanding any other state or federal law, any and all legal actions to recover benefits, whether against the ***Plan, plan administrator/claims processor***, any other fiduciary, or their employees, must be filed within two (2) years from the date the expense was incurred or one (1) year from the date the completed claim was filed, whichever occurred first.

## ***LIMITS ON LIABILITY***

Liability hereunder is limited to the services and benefits specified, and the ***employer*** shall not be liable for any obligation of the ***covered person incurred*** in excess thereof. The ***employer*** shall not be liable for the negligence, wrongful act, or omission of any ***physician, professional provider, hospital***, or other institution, or their employees, or any other person. The liability of the ***Plan*** shall be limited to the reasonable cost of ***covered expenses*** and shall not include any liability for suffering or general damages.

## ***LOST DISTRIBUTEES***

Any benefit payable hereunder shall be deemed forfeited if the ***plan administrator*** is unable to locate the ***covered person*** to whom payment is due, provided, however, that such benefits shall be reinstated if a claim is made by the ***covered person*** for the forfeited benefits within the time prescribed in the applicable Claim Filing Procedure section of this document.

## ***MEDICAID ELIGIBILITY AND ASSIGNMENT OF RIGHTS***

The ***Plan*** will not take into account whether an individual is eligible for, or is currently receiving, medical assistance under a state plan for medical assistance as provided under Title XIX of the Social Security Act ("State Medicaid Plan") either in enrolling that individual as a ***covered person*** or in determining or making any payment of benefits to that individual. The ***Plan*** will pay benefits with respect to such individual in accordance with any assignment of rights made by or on behalf of such individual as required under a state Medicaid plan pursuant to § 1912(a)(1)(A) of the Social Security Act. To the extent payment has been made to such individual under a state Medicaid Plan and this ***Plan*** has a legal liability to make payments for the same services, supplies or treatment, payment under the ***Plan*** will be made in accordance with any state law which provides that the state has acquired the rights with respect to such individual to payment for such services, supplies or treatment under the ***Plan***.

## ***PHYSICAL EXAMINATIONS REQUIRED BY THE PLAN***

The ***Plan***, at its own expense, shall have the right to require an examination of a person covered under the ***Plan*** when and as often as it may reasonably require during the pendency of a claim.

## ***PLAN IS NOT A CONTRACT***

The ***Plan*** shall not be deemed to constitute a contract between the ***employer*** and any ***employee*** or to be a consideration for, or an inducement or condition of, the employment of any ***employee***. Nothing in the ***Plan*** shall be deemed to give any ***employee*** the right to be retained in the service of the ***employer*** or to interfere with the right of the ***employer*** to terminate the employment of any ***employee*** at any time.

## ***PLAN MODIFICATION AND AMENDMENT***

The ***employer*** may modify or amend the ***Plan*** from time to time at its sole discretion, and such amendments or modifications which affect ***covered persons*** will be communicated to the ***covered persons***. Any such amendments

shall be in writing, setting forth the modified provisions of the *Plan*, the *effective date* of the modifications, and shall be signed by the *employer's* designee.

Such modification or amendment shall be duly incorporated in writing into the master copy of the *Plan* on file with the *employer*, or a written copy thereof shall be deposited with such master copy of the *Plan*. Appropriate filing and reporting of any such modification or amendment with governmental authorities and to *covered persons* shall be timely made by the *employer*.

## ***PLAN TERMINATION***

The *employer* reserves the right to terminate the *Plan* at any time. Upon termination, the rights of the *covered persons* to benefits are limited to claims *incurred* up to the date of termination. Any termination of the *Plan* will be communicated to the *covered persons*.

Upon termination of this *Plan*, all claims *incurred* prior to termination, but not submitted to either the *employer* or *claims processor* within three (3) months of the *effective date* of termination of this *Plan*, will be excluded from any benefit consideration.

## ***PRONOUNS***

All personal pronouns used in the *Plan* shall include either gender unless the context clearly indicates to the contrary.

## ***RECOVERY FOR OVERPAYMENT***

Whenever payments have been made from the *Plan* in excess of the maximum amount of payment necessary, the *Plan* will have the right to recover these excess payments. If the *Plan* makes any payment that, according to the terms of the *Plan*, should not have been made, the *Plan* may recover that incorrect payment, whether or not it was made due to the *Plan's* or the *Plan* designee's own error, from the person or entity to whom it was made or from any other appropriate party.

## ***STATUS CHANGE***

If an *employee* or *dependent* has a status change while covered under this *Plan* (*i.e.*, *dependent* to *employee*, COBRA to active) and no interruption in coverage has occurred, the *Plan* will provide continuous coverage with respect to any deductible(s), *coinsurance* and *Essential Health Benefits/non-Essential Health Benefits maximum benefit*.

## ***TIME EFFECTIVE***

The effective time with respect to any dates used in the *Plan* shall be 12:01 a.m. as may be legally in effect at the address of the *plan administrator*.

## ***WORKERS' COMPENSATION NOT AFFECTED***

This *Plan* is not in lieu of, and does not affect any requirement for, coverage by Workers' Compensation Insurance.

8. Provide protected health information only to those individuals, under the control of the **plan sponsor** who perform administrative functions for the **Plan**; (i.e., eligibility, enrollment, payroll deduction, benefit determination, claim reconciliation assistance), and to make clear to such individuals that they are not to use protected health information for any reason other than for **Plan** administrative functions nor to release protected health information to an unauthorized individual.
9.   - b. Ensure that the adequate separation as required by 45 C.F.R. 164.504(f)(2)(iii) is supported by reasonable and appropriate security measures;
  - c. Ensure that any agent, including a subcontractor, to whom it provides this information agrees to implement reasonable and appropriate security measures to protect the information; and
