Second Quarter FY 2022
Southwest District
South Georgia Medical Center

Christmas 2021

We spread holiday cheer, enjoyed fellowship at a nice luncheon, gifted The Haven and "Shop With A Cop", provided last minute shopping for employees at our fundraiser, sent 49 Christmas babies home in adorable stockings and caps made by our own seamstresses, and welcomed SGMC's first New Year baby with a gift basket! It was a joyous month and now on to more service in 2022!

Debbie Dowling and Mary Young Manning at the Employee Health vaccine clinic.

Welcome to our newest Auxilian! Paul Raymond is revitalizing our Courtesy Cart program, a much missed service to our patients and visitors. He retired as Manager of the Firestone Service Center on Inner Perimeter and became a stay at home dad to three of the six children he and his wife Leann share. She is a nurse in the Diabetes Management Dept. Paul's inspiration to join us came from a former Auxilian, Jim Bowen, who told of his satisfaction in "riding the range at SGMC" to transport folks. (see- talk us up to potential members!) Paul was also a COVID patient and wanted to show his appreciation to the hospital. Glad to have you on board!

...from the

President's Pen

Thanks to all of you for your service. We are one of the few who have been allowed to return. So many other hospitals have not let the volunteers come back. As we continue to provide services to our patients let us remember that some are going through pain and grief for their loved ones. It means a lot to them to have a warm greeting, and for us to try and be as helpful as we can. Thanks to all the staff for the hard work you are providing to the patients. Let us continue to work together to provide support to the hospital and our community. WE should be mindful of the need to stay as safe as we can so we can be there for the hospital and staff.
